Newton ARPA Investment

The Newton Centre Fieldhouse (aka "The Hut") Exterior Improvements - \$100,000

This 1892 building located on Tyler Terrace in Newton Centre Playground provides gym, program, and bathroom facilities for the Mason Rice after-school program, rentals, and summer programs. The exterior of the building is in tough shape, in need of paint, spot repairs and some security improvements to maintain the integrity of the building. This area is also now the home to a summer concert series in "The Bowl", which provides natural stadium seating created by the hill off Tyler Terrace.
