CITY CLERK

CITY OF NEWTON

IN CITY COUNCIL

September 4, 2024

ORDERED:

That the City Council, finding that the public convenience and welfare will be substantially served by its action, that the use of the site will be in harmony with the conditions, safeguards and limitations set forth in the Zoning Ordinance, and that said action will be without substantial detriment to the public good, and without substantially derogating from the intent or purpose of the Zoning Ordinance, grants approval of the following SPECIAL PERMIT/SITE PLAN APPROVAL to allow for the construction of dormers exceeding 50% of the wall plane below and increasing nonconforming Floor Area Ratio for the reasons given by the Committee, through its Chair, Councilor Andrea Kelley:

1. The specific site is an appropriate location for a dormer exceeding 50% of the length of the wall below as architectural designs and features such as oversized dormers are common in the neighborhood. (§7.3.3.C.1; §3.1.3; §3.1.9)
2. The dormer exceeding 50% of the length of the wall below will not adversely affect the neighborhood as dwellings of a similar size and character are common in the neighborhood. (§7.3.3.C.2; §3.1.3; §3.1.9)
3. There will be no nuisance or serious hazard to vehicles or pedestrians created by the dormer exceeding 50% of the length of the wall below as the proposal does not affect traffic or circulation to and from the site. (§7.3.3.C.3; §3.1.3; §3.1.9)
4. Access to the site over streets is appropriate for the types and numbers of vehicles involved in the construction of a dormer exceeding 50% of the length of the wall below as the proposed alterations do not affect traffic or circulation to and from the site. (§7.3.3.C.4; §3.1.3; §3.1.9)
5. The proposed increase in nonconforming Floor Area Ratio from 0.47 to 0.49 where 0.34 is the maximum allowed by right is consistent with and not in derogation of the size, scale, and design of other structures in the neighborhood given other dwellings of similar size, scale, and design are common in the neighborhood. (§3.1.3; §3.1.9)
