Newton ARPA Investment

Contingency for State-Funded Projects - \$650,000

Three city facilities may receive state FY24 budget amendment funding – Farlow Park pond improvements, Newton Corner former library (Chaffin House), building exterior work, and Pellegrini Park Fieldhouse (Nonantum) exterior work. \$650,000 will be put aside in case this state funding either falls through or is not sufficient to complete these projects. If the funds are not needed they will be repurposed to the other listed projects or new ones.
