

# ROADMAP TO GOOD HEALTH FOR RETIREES

## I AM CURRENTLY ENROLLED IN A CITY PLAN, WHAT WILL HAPPEN NOW?

Medicare retirees currently enrolled in a Tufts Medicare Complement plan with the City of Newton, will automatically transition following the "[Road Map to Good Health for Retirees](#)" below.

Medicare retirees currently on the Tufts Medicare Preferred or BCBS Medicare HMO Blue plans have two options. You can choose to:

1. Stay on your current plan through December 31, 2023

OR

2. Consider enrolling in the new Blue Cross Blue Shield Medex 2 plan.

If you do not notify us of your intent to disenroll from your plan or of your intent to make changes, your current plan will automatically transition to the comparable BCBSMA plan as noted below on July 1, 2023.
