Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I have lived in the City of Newton for over 30 years - in Newtonville, Newton Centre, and Newton Highlands. My wife, Abby Cohen, and I have stayed in Newton and raised our two girls here because we believe Newton represents the best of the greater Boston area. Newton is progressive and practical, forward thinking about the future yet sensitive to its history. However, no city or town is successful without the active participation of those who care about it most - its residents. That is why, as you can see from my resume, I have volunteered to be a part of various aspects of city life. I have enjoyed them all and have enjoyed the people I have worked alongside. I was previously an alternate member of the Zoning Board of Appeals ("ZBA") and I have enjoyed my tenure as a full member. I enjoy the work the ZBA does, and I believe my experience as a real estate attorney allows me to bring an informed, practical perspective to the hearings on which I sit. I would be pleased to be considered for reappointment.
