Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I am writing to express my interest in being reappointed to the Zoning Board of Appeals (ZBA). I was first appointed as an Associate Member of the ZBA in 2013 and became a full member in 2018. I was elected by my colleagues as Vice-Chair of the Board in 2022, and as Chair in January, 2023. Over the past decade, I have sat as a hearing panel member on dozens of matters, including several comprehensive permit applications under Mass. Gen. Laws c. 40B. I have enjoyed this experience and would welcome the opportunity to continue to serve for the following reasons. First, I have come to see that the ability to evaluate zoning petitions fairly, thoughtfully, and critically is greatly improved with experience. With each hearing I have attended, I have become more adept at interpreting the zoning laws, identifying the key issues in a particular petition, and finding areas of compromise, where appropriate. Recently, I have gained experience in chairing meetings. Having gained this valuable experience over the past ten years, I am eager to put it to use in a way that furthers the values and interests of the City. Second, the ZBA currently is comprised of individuals with varied professional backgrounds, which, in my view, contributes to the Board's effectiveness. My background as a litigation attorney enables me to bring a unique perspective to the ZBA. Not only is there some substantive overlap in the work that we do, but the skills I rely on daily as a litigator — i.e. the ability to apply the law to a particular set of facts, or to understand the strengths and weaknesses of a particular legal position — have proven to be quite valuable in my work on the ZBA. Finally, it goes without saying that zoning and housing issues are of critical importance in the City at present. While the role of the ZBA is to evaluate petitions dispassionately, and with only the law in mind, it is meaningful to me to play a small role in shaping the future of the community in which I grew up (NNHS Class of '97), and in which my wife and I are raising our two daughters (they are 14 and 11 and attend Day Middle School). I am grateful for the opportunity to have served on the ZBA over the past ten years and would be honored to continue to serve in this capacity in the future. If there is any further information I can provide that would be helpful to you, please let me know. My current resume is attached. Thank you for your consideration.
