

Finance Committee Agenda

City of Newton In City Council

Monday, February 8, 2016

7 PM Room 204

Items Scheduled for Discussion:

Chairman's Note: The Committee will review the June 30, 2015 Independent Financial Audit Report with Matt Hunt of Clifton, Larson, Allen, LLC, the City's independent auditor. Please bring the Management Letter, GAO and OMB A-133 Reports, and the Comprehensive Annual Financial Report for the Fiscal Year ended June 30, 2015 that you received in this week's packet.

Referred to Programs & Services and Finance Committees

Request to authorize transfer of \$60,000 to the Parks and Recreation Department

HIS HONOR THE MAYOR requesting authorization to transfer the sum of sixty thousand dollars (\$60,000) from the Parks and Recreation Department Full-time Salaries Account to the Parks and Recreation Department Forestry/Tree Services Account for the purpose of funding contracted services in the Forestry Division of the Parks and Recreation Department. [01/25/16 @ 4:06 PM]

Programs & Services Approved 6-0 on 02/03/16

REFERRED TO PUBLIC FACILITIES AND FINANCE COMMITTEE

#47-16 Transfer \$783,846 from various accounts for Auburndale Sq Traffic Improvements

HIS HONOR THE MAYOR, requesting authorization to transfer the sum of seven hundred eight-three thousand eight hundred forty-six dollars to fully fund the Auburndale Square Traffic Improvements as follows:

From:

Public Facil Approved Subject to Second Call 6-0-1 (Lappin abstaining) on 02/03/16

The location of this meeting is handicap accessible and reasonable accommodations will be provided to persons requiring assistance. If you need a special accommodation, please contact Jini Fairley, at least two days in advance of the meeting: jfairley@newtonma.gov, or 617-796-1253. For Telecommunications Relay Service dial 711.

The Committee will meet jointly with the Zoning & Planning Committee to discuss the below item:

Referred to Zoning & Planning and Finance Committees

#44-16 Request to authorize transfer of \$100,000 to the Inspectional Services Department HIS HONOR THE MAYOR requesting authorization to transfer the sum of one hundred thousand dollars (\$100,000) from Free Cash to the Inspectional Services Department Full-time Salaries Account and to increase staffing levels in Inspectional Services Account by two full-time positions. [[01/25/16 @ 4:06 PM]

Referred to Land Use and Finance Committees

- Request for CPA funding for two units of affordable housing at 10-12 Cambria Rd #356-15 COMMUNITY PRESERVATION COMMITTEE recommending the appropriation of four hundred seventy-one thousand one hundred seventeen dollars (\$471,117) from the Community Preservation Fund to the Planning & Development Department for a grant to Citizens for Affordable Housing Development in Newton (CAN-DO), to create two units of permanently affordable rental housing at 10-12 Cambria Road, as described in the proposal submitted to the Community Preservation Committee in October 2015. [12/08/15 @ 12:08 PM]
 - Land Use Approved 6-0 on 02/02/16
- #39-16 Reappointment of Elizabeth Dromey by Mayor as Chair of the Board of Assessors ELIZABETH DROMEY, 15 Horace Road, Belmont, re-appointed as Chair of the Board of Assessors for a term expiring on February 1, 2019. (30 days - 03/02/16) [01/25/16 @ 4:07 PM]
- #41-16 Request to authorize transfer of \$25,000 to the Human Resources Department HIS HONOR THE MAYOR requesting authorization to transfer the sum of twenty-five thousand dollars (\$25,000) from Free Cash to the Human Resources Department Full-time Salaries Account to absorb additional costs associated with a significant increase in workload. [01/25/16 @ 4:06 PM]
- #42-16 Request to authorize transfer of \$25,000 to the Financial Info Systems Department HIS HONOR THE MAYOR requesting authorization to transfer the sum of twenty-five thousand dollars (\$25,000) from Free Cash to the Financial Information Systems Department Full-time Salaries Account to absorb the costs of vacation and sick time buyouts for a retirement within the department. [01/25/16 @ 4:06 PM]
- #43-16 Request to authorize transfer of \$25,000 to the Assessing Department HIS HONOR THE MAYOR requesting authorization to transfer the sum of twenty-five thousand dollars (\$25,000) from Free Cash to the Assessing Department Full-time Salaries Account to absorb the costs of vacation and sick time buyouts as a result of the retirement of a long-term employee and to temporarily increase staffing levels by one full-time position while that employee transitions to retirement. [01/25/16 @ 4:06 PM]

Items Not Scheduled for Discussion at this Meeting:

#40-16 Request to accept MGL 149 Sec 148C related to earned sick time for employees

<u>COUNCILOR SANGIOLO</u> requesting that City of Newton formally accept and/or take all necessary steps to accept Massachusetts General Law Chapter 149, Section 148C, in order to qualify full-time, part-time, seasonal, and temporary employees coverage under the earned sick time regulation, 940 CMR 33, as approved by the voters of Massachusetts in the 2014 Election as Ballot Question 4 – Earned Sick Time for Employees. [01/19/16 @ 2:35 PM]

Referred to Programs & Services, Public Facilities, and Finance Committees

#357-15 Request for CPA funding for the Newton Highlands Playground

<u>COMMUNITY PRESERVATION COMMITTEE</u> recommending the appropriation of two million five hundred thousand dollars (\$2,500,000) from the Community Preservation Fund's open space and general reserves or fund balance to the Parks & Recreation Department, for the rehabilitation of the Newton Highlands Playground at Winchester and Dedham Streets, as described in the proposal submitted to the Community Preservation Committee in November 2015. [12/15/15 @ 12:32 PM]

REFERRED TO FINANCE AND APPROPRIATE COMMITTEES

#288-15 Submittal by the Mayor of the FY17 Capital Improvement Plan

HIS HONOR THE MAYOR submitting the FY 2017-FY 2021 Capital Improvement Plan pursuant to section 5-3 of the Newton City Charter. [10/01/15 @ 1:53 PM]

#287-15 Submittal by the Mayor of the 5-Year Financial Forecast

HIS HONOR THE MAYOR submitting the FY 2017-FY 2021 5-Year Financial Forecast for Board of Aldermen review/acceptance. [10/01/15 @ 1:53 PM]

REFERRED TO PUBLIC FACILITIES AND FINANCE COMMITTEES

#223-15 Discussion on the process of licensing the use of city buildings

<u>ALD. LAREDO</u> requesting a discussion of the process of licensing the current and future use of city building, including: (a) how licensees may request the use of city buildings; (b) the process for determining which licensees will get the use of city buildings; (c) how the fees for the use of city buildings are set; and (d) how the current process compares to the process for permitting the use of school buildings. [08/13/15 @ 11:20 AM]

#190-15 Discussion of a policy to record all meetings and post all meeting materials online

<u>ALD. SANGIOLO</u> requesting a discussion with the Executive Department relative to creating a policy to require audio recordings of all meetings of boards and commissions and requiring them to be posted to the City's website, as well as posting of all documentation that is reviewed by boards and commissions and/or by their designated City staff member.

#133-15 Authorization to negotiate leases for install of solar panels on city properties

HIS HONOR THE MAYOR requesting authorization to enter into negotiations for the potential lease on city properties for purposes of third-party construction, ownership, and operation of on-site renewable solar energy generation from which the City will purchase electric output and/or net metering credits. [05/11/15 @ 5:00 PM]

ITEM SPLIT INTO PART A AND PART B

PART A – Ground mounted solar panels at Rumford Avenue landfill, solar panels mounted on new carport structures at 60 Elliot Street, all roof mounted solar panel locations with the exception of City Hall, which is removed from the list of sites for solar panels. – BOA APPROVED on 11/16/15

PART B – Solar panels mounted on new carport structures at Newton South High School and solar panels mounted on new carport structures at the Library. HELD on 11/09/15

REFERRED TO ZONING & PLANNING, LAND USE AND FINANCE COMMITTEES

- **Qualification of affordable units developed at Comm Ave, Pearl St, and Eddy St**<u>ALD. JOHNSON, LAREDO, AND GENTILE</u> requesting a report from the Planning Department re how many of the affordable units developed at Commonwealth Avenue, Pearl Street, and Eddy Street qualify for inclusion on the State's Subsidized Housing Inventory List; if a property is not on the list, what can be done to make it eligible. [04/09/15 @ 12:00 PM]
- #84-15 Discussion with NCDF on repayment of deferred payments and accrued interest

 ALD. GENTILE requesting a discussion with the Newton Community Development
 Foundation (NCDF) regarding their plans for repayment of the deferred rental
 payments and accrued interest on their ground lease with the City for the former
 Warren Junior High School site. [03-03-15 @ 2:57 PM]

REFERRED TO PUBLIC FACILITIES AND FINANCE COMMITTEES

#455-14 Ordinance amendment request to create a storm water rate fee structure

HIS HONOR THE MAYOR recommending amendment to Chapter 29, Section 80

Sewer/Storwater use charge. to create a storm water rate fee structure based upon square footage of impervious surface area.

REFERRED TO LAND USE AND FINANCE COMMITTEES

#49-14 Implementation of technology to monitor compliance with special permits

LAND USE COMMITTEE requesting discussion with the Chief Financial Officer and the Chief Information Officer regarding the critical need to implement technology which enables the development, management and use of shared, searchable, mobile-accessed (both read and write) database which contains parcel-based information that can be accessed by all city departments (including Planning, Inspectional Services (ISD), Assessing, Engineering, Fire, Police, Health), the Board of Aldermen and the community. This technology must support the work of ISD and other

departments in both the office and the field to more effectively and efficiently monitor and enforce compliance with approved special permits and other related Board Orders. [02/10/14 @ 6:47 PM]

#248-12 Ordinance amendments to Article IV Purchases and Contracts

RECODIFICATION COMMITTEE recommending that ARTICLE IV. PURCHASES AND

CONTRACTS, Secs. 2-182 through 2-205, be amended to make it consistent with state law.

Respectfully submitted;

Leonard J. Gentile, Chair

January 25, 2016

Honorable Board of Aldermen Newton City Hall 1000 Commonwealth Avenue Newton, MA 02459

Ladies and Gentlemen:

I write to request that your Honorable Board docket for consideration a request to transfer the amount of \$60,000 from Acct # 01602011-511001 to Acct # 01602011-5243. The FY16 Budget included funding to expand staffing in the Forestry Division, however filling those positions has proven to be a challenge. Although the department expects to be fully staffed soon, we would like to utilize contracted services to accomplish some of the outcomes of the department.

Thank you for your consideration of this matter.

Very truly yours,

Setti D. Warren

Mayor

February 1, 2016

Honorable City Council Newton City Hall 1000 Commonwealth Avenue Newton, MA 02459 RECEIVED
Newton City Oles

2016 FEB - 1 AM II: 53

David A. Octon, Oldo
Newton, MA 02455

Ladies and Gentlemen:

I write to request that your Honorable Council docket for consideration a request to transfer the sum of \$783,846 from the following accounts and authorize the expenditure of the same amount for the Auburndale Square Signal Upgrades.

| Riverside – Auburndale Improvements | \$136,710 |
|--|-----------|
| Repurposing Savings from Other Projects: | |
| Capital Project Fund Bond Balances Avail for Appropriation | \$327,752 |
| Unrestricted Capital Purposes | \$ 27,061 |
| Bonded Capital Projects | \$ 13,752 |
| June 30, 2015 Free Cash | \$278,571 |

Although the original estimate for the project had approximated \$1,200,000, during the course of the design of this project last summer, the decision was made to expand the project to include the coordination all signals, minor geometric changes to improve flow and reduce congestion at all approaches, address carriage road access, pedestrian/bike safety and ADA compliance at the following intersections:

Commonwealth Avenue @ Melrose Street
Commonwealth Avenue @ Lexington Street
Lexington Street @ Wolcott Street
Lexington Street @ Freeman Street @ Auburndale

Lexington Street @ Freeman Street @ Auburndale Avenue

At that time it was estimated that the project would approximate \$1,700,000.

The City issued an IFB last fall. Three qualified bidders responded with the low bid totaling \$2,047,137 when adjusted to include Alternate 1 (ornamental mast arms) and required Police Details. It was believed that rebidding the project in the winter would yield an increase in the number of bidders and better pricing.

1000 Commonwealth Avenue Newton, Massachusetts 02459 www.newtonma.gov

Bids were received on January 21, 2016, and the Department of Public Works has recommended awarding to the low bidder, for the sum of \$1,983,846. Although the City received six qualified bids, the pricing remained virtually the same as reductions from reusing an existing mast arm and signal cabinets and reduced pricing in asphalt saved \$41,000.

Thank you for your consideration of this matter.

Very truly yours,

Setti D. Warren

Mayor

DEPARTMENT OF PUBLIC WORKS

OFFICE OF THE COMMISSIONER 1000 Commonwealth Avenue Newton Centre, MA 02459-1449

February 5, 2016

To: Maureen Lemieux, Chief Financial Officer From: James McGonagle, Commissioner Public Works

Subject: Council Order #47-16, Auburndale Square Traffic Improvements

Answers to Councilor's Questions

Budget Summary of the Auburndale Square Traffic Improvements Project:

| *Traffic Control Devices | \$910,251 |
|--------------------------|-----------|
| *Other Incidental Work | \$254,250 |
| Road Work | \$619,345 |
| Police Details | \$200,000 |
| | |

Total Bid \$1,983,846

<u>Undergrounding of Utilities:</u>

The scope of the project did not include the relocation of all utilities underground. For a project of this size, our design engineer has stated they would typically expect costs to vary anywhere from \$1M - \$2M per mile depending on the complexity and number of conflicts. This Auburndale project is approximately 0.4 miles; costs to the City would also include the relocation of any water, sewer, and drain mains that would conflict with the proposed underground utilities. The actual costs would need to be estimated based on the design.

Original request for \$2,000,000:

See Board Order #129-15, dated 5/11/15. These are the additional traffic signal projects as they were estimated in May 2015.

| | <u>Estimated</u> | Projected Cost |
|--|------------------|----------------|
| Auburndale Square Project | \$1,200,000 | \$1,983,846 |
| Watertown Street at Adams Street | \$150,000 | \$179,000 |
| California Street at Bridge Street | \$75,000 | \$75,000 |
| Nahanton Street at Winchester Street | \$250,000 | \$154,000 |
| Washington Street at Prospect/Auburn/Perkins | \$375,000 | \$430,000 |

Telephone: 617-796-1623 • Fax: 617-796-1050 • Jmcgonagle@newtonma.gov

^{*}Traffic Control Devices includes: traffic and pedestrian signal equipment, mast arms, electronic controllers, pullboxes, electrical handholds and service connections (overhead and underground)

^{*}Other Incidental Work includes: Concrete sidewalks and driveway aprons, ADA ramps and equipment, asphalt sidewalks and driveway aprons, mobilization, loam, seed and mulch

Standardizing light and pedestrian pole mast arm types from standard galvanized steel to a decorative design with powder coated finishes did increase the projected cost.

Funds requested in this council order:

Bid amount \$1,983,846 Current funds available \$1,200,000 Additional funds requested \$783,846

Telephone: 617-796-1623 • Fax: 617-796-1050 • Jmcgonagle@newtonma.gov

January 25, 2016

Honorable Board of Aldermen Newton City Hall 1000 Commonwealth Avenue Newton, MA 02459 2016 JAN 25 PM 4: 06

Ladies and Gentlemen:

I write to request that your Honorable Board docket for consideration a request to transfer the sum of \$100,000 from June 30, 2015 Certified Free Cash to Acct # 0122001-511001 Inspectional Services Full Time Salaries.

As you know, the City has been experiencing unprecedented requests for building, electrical and plumbing permits. To keep up with the demand, it is imperative that the staffing levels in ISD be increased, therefore, along with the request for additional funding, I request an increase of 2 FTE's for the department.

Thank you for your consideration of this matter.

Very truly yours,

Setti D. Warren

> James Freas, Acting Director

Community Preservation Committee Funding Recommendation for 10-12 CAMBRIA ROAD (WEST NEWTON) AFFORDABLE HOUSING

date: 7 December 2015

from: Community Preservation Committee

The Honorable Board of Aldermen/City Council

PROJECT GOALS & ELIGIBILITY

CAN-DO (Citizens for Affordable Housing in Newton Development Organization) will use the recommended project grant to rehabilitate an existing two-family home as two units of permanently affordable rental housing, one for a homeless family currently living in a hotel or motel and whose household income is up to 50% of the area-wide median, and one for a family currently living in CAN-DO's transitional housing for survivors of domestic violence, whose household income is up to 80% of the area median. Each unit will have two bedrooms and one bathroom. The project's only significant remodeling is relocating an opening onto the rear stairwell, to create more usable space in the second-floor unit's kitchen.

The project is eligible for CPA funds as the creation of affordable housing.

RECOMMENDED FUNDING

On 19 November 2015, the Community Preservation Committee recommended appropriating \$471,117 for this project by a vote of 5-1 (member Rick Kronish opposed, members Michael Clarke, Don Fishman and Jonathan Yeo absent). The CPC recommends that funds be appropriated from the Community Preservation Fund's current reserve and fund balance for housing, and general fund balance, to the Planning & Development Department for a grant to CAN-DO, for any use included in this summary budget:

| 10-12 Cambria I | ng) Project Budget | | | |
|---|--------------------|---------------|--------------------------------|------------|
| USES | | | SOURCES | |
| Acquisition (Mortgage Elimination) | | \$ 610,000 | City of Newton - CDBG/HOME | \$ 309,293 |
| Construction (including 10% contingency) | | \$ 148,528 | Newton CPA Funding | \$ 471,117 |
| Other Development Costs (Soft Costs) | | | Charlesbank Homes (grant) | \$ 50,000 |
| Architect, Engineer, Survey | | \$ 22,000 | Federal Home Loan Bank (grant) | \$ 75,000 |
| Permits, Legal, Appraisal, Taxes, Insurance | | \$ 22,030 | Total Uses | \$ 905,410 |
| Loan Interest | 8 months | \$ 20,112 | | |
| Soft Cost Contingency | 10% | \$ 6,414 | | |
| Developer Overhead/Fee | 8% | \$ 66,327 | | |
| Initial Funding of Replacement Reserve | | \$ 10,000 | | |
| | Total Uses | \$ 905,410 | | |

#356-15

SPECIAL ISSUES CONSIDERED BY THE CPC

Project Funding Sources & Costs CPC member Rick Kronish voted against the project primarily because he regarded the amount of its request for locally-controlled subsidies as excessive. He faulted the project for failing to use local subsidies to leverage available state and federal funds. The 5 CPC members voting in favor appreciated that the project's \$390,205 total public subsidy per unit was much lower than the \$482,014 perunit total public subsidy for CAN-DO's previous project, on Taft Avenue, in part because CAN-DO has proposed only the minimum necessary repairs and remodeling at Cambria Road.

Community Building & Community Support Kronish also expressed his concern that the development of only2 or 3 affordable units at a time, dispersed across the city, made it difficult to provide supportive services efficiently and threatened to engender a sense of isolation among the units' residents. Other CPC members felt that living in a mixed-income neighborhood would help to integrate the project's residents into the broader Newton community.

Petitions, letters and comments submitted by all but one member of the public supported this proposal. This will be CAN-DO's third property on Cambria Road, with a cumulative total of 15 bedrooms. As noted by one person at the public hearing, the lack of any comments from residents of this fairly short street suggested that the earlier CAN-DO projects, developed in 2004 and 2006, have been seen as good neighbors.

Listing on the Subsidized Housing Inventory The state Dept. of Housing & Community Development has approved an affirmative marketing/tenant selection plan for listing CAN-DO's Taft Avenue project on the SHI. The new Cambria Road project should also be eligible for the SHI because it will use basically the same plan.

Alternative Strategies for Affordable Housing In the context of Newton's challenging real estate market, most CPC members applianced CAN-DO for continuing to develop permanently affordable units in existing 2- and 3-family homes, with a deliberately minimal impact on neighborhood streetscapes.

However, many CPC members also voted in favor of this project in part because the Committee has recently had limited alternatives for supporting affordable housing. Since 2011, all housing proposals to the CPC have come from CAN-DO, with only two exceptions: Myrtle Village (a 7-unit project first proposed in 2011) and the City's homebuyer assistance program. Most CPC members would welcome the opportunity to consider housing projects that leverage a higher proportion of their total public funding from non-local sources or that require smaller public subsidies per unit. The CPC recognized that the projects most likely to meet these criteria would be on a larger scale and designed to create many more than 2 or 3 affordable units at a time.

ADDITIONAL RECOMMENDATIONS (funding conditions)

- 1. The CPC assumes all recommended funds will be appropriated within 6 months, and the two affordable units will be occupied within 18 months, after the date of this recommendation. If either of these deadlines cannot be met, CAN-DO will submit a written request asking the CPC to extend that deadline.
- 2. Grant funds will be released on a reimbursement basis through a detailed grant agreement including but not limited to requirements for initial, continued and final release of funds, confirmation of non-CPA funding, permits, procurement, contracting, verification of construction work, and cost documentation.
- 3. CAN-DO will provide project status reports to CPC staff upon request and, as a prerequisite for release of the final 10% of grant funds, will present an in-person and written final report to the CPC summarizing project outcomes and comparing actual to budgeted expenditures.
- **4.** Any CPA funds appropriated but not used for the purposes stated herein will be returned to the Newton Community Preservation Fund.

KEY OUTCOMES The Community Preservation Committee will evaluate this project based on how well it meets goals 1 and 3 above.

VICINITY MAP

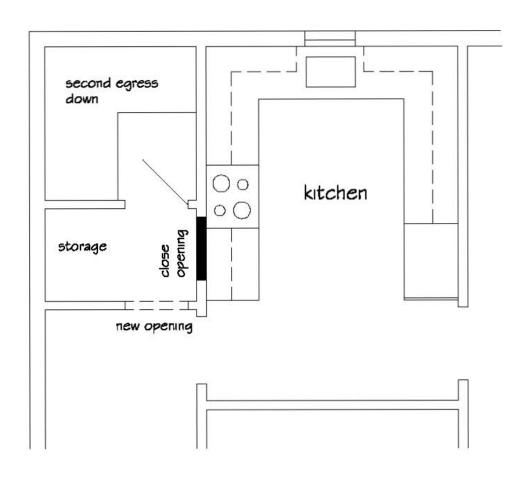

The property is located in West Newton, close to the Waltham border. The 554/556 MBTA bus route which runs between Waltham and Newton is within two blocks of the property. Within one block is a convenience store, and a laundromat. The elementary school is within walking distance, the middle school is approx. one mile away and the high school is within 1.5 miles, both accessible on the bus line.

PROJECT DESCRIPTION

Renovations to the existing two-family home:

- Replace Roof;
- Repartitioning of second floor kitchen with new cabinets and appliances;
- Addition of new heating system (currently both units on one system);
 insulation of attic, rim joists and exterior walls;
- Repoint masonry chimney to prevent failure;
- Repair siding, siding trim, seal penetrations and repair gutters and downspouts to prevent water infiltration;
- Porch repair of decking, structural supports, lattice to prevent failure;
 Remove basement ceilings and wall finishes to determine extent of mold,
 remediation if necessary and to provide proper access to electrical panes;
- Remove/encapsulate/cover basement asbestos flooring tile;
- Repair/replace basement rotted/termite damaged partitions and stair
- Replace termite damaged frame sills in basement;
- Replace/repair misc. plumbing including waste lines and valves;
- Repair electrical connections; and
- Lead paint testing and removal.

Newton, Massachusetts FUNDING REQUEST for AFFORDABLE HOUSING DEVELOPMENT FY15 or FY16

PRE-PROPOSAL

| X | PROPOSAL |
|---|----------|
|---|----------|

(For staff use) date rec'd:

Rec'd 19-20 October 2015

| Project TITLE | 10-12 Cambria Road | 10-12 Cambria Road Affordable Housing | | | | | | |
|-------------------------------|---|---------------------------------------|----------------|------------------|---|--|--|--|
| Project | Full street address (with zip code), or other precise location. | | | | | | | |
| LOCATION | 10-12 Cambria Road, We | est Newton, | MA 02465 | | | | | |
| Project CONTACTS | Name & title of organization | Email | | Phone | Mailing address | | | |
| Manager/ Developer | Josephine McNeil, Executive Director, CAN-DO | Jam_cando@msn.com | | 617-964-3527 | 1075 Washington Street West Newton, MA 02465 | | | |
| Other Contacts | None provided. | | | | | | | |
| Project | Newton CDBG/HOME/C | PA funds | Total other fo | unds to be used: | Total project cost: | | | |
| FUNDING | requested: \$780,410 | | \$125,000 | | \$905,410 | | | |
| Project SUMMARY & NEEDS | Project SUMMARY Location (amenities within walking distance, access to transit); short summary of details on page 2 (rehabilitation or new construction; target population; type of housing; unit composition; special features); and brief citations (section & page) showing how the project meets needs identified in | | | | | | | |

The property is located in West Newton, close to the Waltham border. The 554/556 MBTA bus route which runs between Waltham and Newton is within two blocks of the property. Within one block is a convenience store, and a laundromat. The elementary school is within walking distance, the middle school is approx. one mile away and the high school is within 1.5 miles, both accessible on the bus line.

The existing two-family will be renovated:

- Replace Roof; repartitioning of second floor kitchen with new cabinets and appliances;
- Addition of new heating system (currently both units on one system); insulation of attic;
- Repoint masonry chimney to prevent failure;
- Repair siding, siding trim, seal penetrations and repair gutters and downspouts to prevent water infiltration;
- Porch repair of decking, structural supports, lattice to prevent failure; Remove basement ceilings and wall
 finishes to determine extent of mold, and to provide proper access to electrical panes;
- Remove/encapsulate/cover basement asbestos flooring tile;
- Repair/replace basement rotted/termite damaged partitions and stair
- Replace termite damaged frame sills;
- Replace/repair misc. plumbing including waste lines and valves;
- Repair electrical connections; and
- Lead paint testing and removal.

The population to be served by the housing are extremely low and low income homeless families. This is a population identified as the top priority on p. 113 of the FY16-20 Consolidated Plan. (SP-25)

5. SITE CONTROL & PROJECT FINANCES

ATTACHMENT #5

b. The developer is committed to permanent affordability as a condition of the city funding.

c. Appraisal ATTACHMENT #6

- d. Development Proforma ATTACHMENT #7
- e. Scope of Work and Cost Estimates ATTACHMENT #8
- f. Non-Newton Funding Federal Home Loan Bank of Boston application submitted in September - response expected in December of 2015; Charlesbank Home submitted in October – response expected in February.
- g. Market analysis Massachusetts currently has approximately 1500 families living in hotels/motels many of whom are seeking 2-bedroom units.
- h. Home inspection report City housing staff is in possession of the report.
- i. 10 year operating budget

ATTACHMENT #9

j. There are no rental subsidies; the state is not presently offering subsidies.

6. DEVELOPER CAPACITY & QUALIFICATIONS

- a. Organization mission & current housing portfolio ATTACHMENT #10
- b. CAN-DO has the used the model set forth in the proposed project for the acquisition and renovation of a 2 or 3 family dwelling to create housing affordable to low-income families for approximately 20 years. This model has produced 15 units of housing in Newton which will be affordable into perpetuity. Attached are photos of all our projects including: Falmouth Road; Jackson Road; 11-13 Cambria Road; 18-20 Cambria Road; 2148-50 Commonwealth Avenue; Eddy Street and Pearl Street.
- c. Resumes for development team ATTACHMENT #11
- d. Most recent audited annual financial statement was submitted via e-mail.
- e. Project manager, Josephine McNeil has completed fair housing training.
- f. Organization has not had any fair housing complaints filed against it.
- g. 2015 annual operating budget ATTACHMENT #12

 b. Board of Directors ATTACHMENT #13
- h. Board of Directors ATTACHMENT #13

7. SITE REVIEW, ZONING & PERMITTING

- a. History This property was built as a 2 family structure in 1938. I found no evidence of a use other than residential in the building jacket.
- b. Environmental Mitigation Plan Lead paint and asbestos are present and remediation is included in construction budget.
- c. I assume it was not required to be presented to DRT as project is by right and there is no change in the design of the exterior.
- d. There are no approvals needed.

8. DESIGN & CONSTRUCTION

- a. Scope of work does not include any change in plan with exception of second floor kitchen.

 ATTACHMENT #14
- b. Letter from Architect ATTACHMENT #15
- c. Not Applicable

9. AFFIRMATIVE FAIR HOUSING MARKETING PLAN

a. Affirmative Marketing & resident selection plan ATTACHMENT #16

Rec'd by CPC staff for pre-proposal 21 August 2015, reformatted as 1-page summary. For additional detail, see full scope online, submitted with proposal in October 2015.

Terrence G. Heinlein AIA 1 Aberdeen Road Weston, MA 02493

| Proposed scope of work, and associated costs, for the partial renovation of | | |
|--|----------|-----------|
| 10-12 Cambria Road, Newton, MA | | |
| PROPOSED SCOPE OF WORK | | |
| BASEMENT | | |
| Remove and dispose basement ceiling and wall finishes. | \$1,600 | |
| Allow remediation of possible/likely wall mold. | \$12,500 | |
| Remove/encapsulate/cover basement asbestos flooring and pipe cover. | \$5,300 | |
| Remove and replace basement damaged partitions and stair. | \$1,400 | |
| Replace termite damaged frame wall sills. | \$8,800 | |
| Repair nonconforming electrical connections. | \$850 | |
| Repair nonconforming plumbing, including waste and valves. | \$1,900 | |
| Modification to existing heating system, including new boiler. | \$15,000 | |
| TOTAL BASEMENT AREA SCOPE AND RELATED COSTS | | \$47,350 |
| FIRST FLOOR | | |
| Repair of side access stairs, railing, and landing. | \$1,750 | |
| Removal and refinishing of interior entry stair ceiling to increase height. | \$2,100 | |
| Repair first floor main entry porch, including frame, deck, and skirt. | \$8,300 | |
| TOTAL FIRST FLOOR AREA SCOPE AND RELATED COSTS. | | \$12,150 |
| SECOND FLOOR | | |
| Demolition of existing second floor kitchen, and alcove. | \$850 | |
| Reframing of existing second floor kitchen, and alcove. | \$900 | |
| Second floor kitchen cabinetry. | \$7,400 | |
| Second floor kitchen appliances. | \$3,100 | |
| Second floor drywall. | \$1,700 | |
| Second floor trim. | \$450 | |
| Second floor doors, frames, hardware. | \$1,150 | |
| Second floor painting. | \$2,300 | |
| Second floor heating, ventilating, exhaust. | \$2,600 | |
| Second floor plumbing. | \$1,350 | |
| Second floor electrical (relocate panel) | \$5,200 | |
| TOTAL SECOND FLOOR AREA SCOPE AND RELATED COSTS. | | \$27,000 |
| EXTERIOR ENVELOPE | | |
| Repair, seal, and replace coil stock trim, and damaged siding components. | \$9,400 | |
| Repair gutters and downspouts. Add splashblocks. | \$1,025 | |
| Repoint masonry chimney. | \$2,200 | |
| Replace roofing, underlayment and drip edges. | \$12,000 | |
| TOTAL EXTERIOR ENVELOPE SCOPE AND RELATED COSTS | | \$24,625 |
| MISCELLANEOUS | | |
| Lead paint testing and remediation. | \$14,500 | |
| Insulation of rim joists, exterior walls, and attic (work by nonprofit energy company) | \$9,400 | |
| TOTAL MISCELLANEOUS SCOPE AND RELATED COSTS. | | \$23,900 |
| TOTAL PROJECTED SCOPE COSTS | | \$135,025 |
| 10% CONTINGENCY | | \$13,503 |
| TOTAL CONSTRUCTION SCOPE COSTS | | \$148,528 |

Federal Home Loan Bank of Boston Affordable Housing Program 800 Boylston Street Boston, Massachusetts

Re: Sustainable Development Building Practices for 10-12 Cambria Road, Newton, MA

To Whom It May Concern:

This letter is to summarize the sustainable development building practices included in the development of the renovations to the above referenced project for Citizens for Affordable Housing in Newton Development Organization Inc.

> New open cell foam insulation by Icynene or equal, shall be added to first floor perimeter rim joists at the exterior wall, and fiberglass insulations and/or cellulose insulations shall be placed at the first floor and attic framing planes. The existing structure currently has little or no insulation at these locations.

All new bath plumbing fixtures shall be low demand fixtures with dual flush by Toto or equal, including 1.28 gpf water closets, 2.0 gpm showerheads and kitchen faucets by Symmons or equal, with 1.5 gpm bath faucets. The new boiler, by Burnham or equal, shall be specified with a minimum of 87 percent efficiency.

Energy Star appliances and lighting fixtures shall be provided at the new upper floor unit kitchen.

All residents shall be instructed as to the correct and efficient use, and maintenance, of the new boiler, plumbing fixtures, appliances and lighting fixtures, and shall be given manuals from suppliers as indicating proper use and maintenance.

The common lower level space shall have designated locations for the City of Newton provided recycling containers for residents' use.

If you have any additional questions regarding the sustainable development building practices to be specified for this project, please contact me.

FAIR HOUSING AFFIRMATIVE MARKETING PLAN FOR 10-12 Cambria Road, NEWTON, MA 02465

10-12 Cambria Road is a 2- unit property located at West Newton. The property has two 2-bedroom units. Each unit contains 2 bedrooms, living room, dining room and full bath

The units will be marketed to the following organizations and individuals in the priority order listed:

- Group 1 Preference to an individual who has successfully completed the two 2 transitional housing program in CAN-DO'S transitional housing programs at the Kayla Rosenberg House and The Louis Garfield House at the time the 3 bedroom unit is ready for occupancy.
- Group 2 Families seeking a 2-bedroom unit who are housed in the motel/hotel program administered by MBHP on behalf of the Department of Housing and Community Development.
- Group 3 Families seeking a 2 bedroom unit who are housed in shelters administered by the MBHP on behalf of the Department of Housing and Community Development.

Outreach for units:

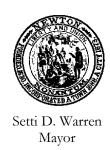

- Group One applicants will be selected by CAN-DO from among its potential group of 8 families on the Newton Housing Authority Domestic Violence Wait List.
- Group Two and Three applicants will receive marketing materials from MBHP case managers located at motels, hotels and shelters identified by MBHP. CAN-DO will send marketing materials to the case managers at the selected locations.
 - A representative from CAN-DO will schedule an informational meeting at each of the locations. Informational packets will be available to attendees.

Interested applicants can request informational packets including an application by sending a written request by mail e-mail or in-person to CAN-DO, 1075 Washington Street, West Newton, MA 02465; via fax – 617-964-35963; via e-mail – jam cando@msn.com.

Selection Process:

Upon receipt, applications will be assigned a number based upon the date received; earliest return will receive the lowest number. Qualified applicants will be placed in a lottery. The first 3 lottery winners will be processed. If the applicant has the ability to pay rent and receives a favorable reference from the former landlord, he/she will be offered the unit. If more than one applicant is qualified then the applicant with the lowest number will be offered the unit. If none of the applicants are qualified, the next three lottery applicants in the lottery will be notified and the same process will be followed until a qualified applicant is found.

Date: November 12, 2015 emailed to CPC staff 10:30 am, 16 November 2015

Re: 10-12 Cambria Road Affordable Housing Proposal

1. Overview

The Sponsor, Affordable Citizens for Development Housing Newton in Organization (CAN-DO, Inc.), is proposing to create two units of affordable rental through acquisition housing and rehabilitation of an existing two-family house located at 10-12 Cambria Road, Newton. The project would consist of two 2-BR units and will target families who are at-risk of homelessness. Supportive services will be provided to the households by CAN-DO. One unit will be affordable to households earning at or below 50% of Area

Median Income (AMI) and the other unit will be affordable to households earning at or below 80% AMI. The project targets a priority population, extremely low and low income homeless families, as identified in the FY16-20 Consolidated Plan.

The projected total development cost is \$905,410. The Sponsor is seeking \$471,117 in Community Preservation Act (CPA) funding, \$309,293 in total federal Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME) funding and \$125,000 from other sources.

2. Project Description:

The property is an existing 1,716 sq. ft. two-family house built in 1938. It is located on a 5,000 sq. ft. lot in the SR3 zone. This is a two-story home with vinyl siding, concrete foundation and an asphalt shingled roof. The existing two units have ten (10) total rooms, four (4) bedrooms and two (2) bathrooms. The unit also has an enclosed 44 square foot porch, 98 square foot deck and 66 square foot porch area. The project consists of the following unit mix and characteristics:

| Unit | Affordability | Proposed | # of | # of | Living type | Cross Living Area |
|------|---------------|--------------------|----------|-------|----------------------|-------------------|
| | Level | Rent | Bedrooms | Baths | Living type | Gross Living Area |
| 1 | <80% AMI | \$1,466 | 2 | 1 | Two-family attached, | 858 square feet |
| 1 | <80% AIVII | \$1,400 | 2 | 1 | two-story | (est.) |
| _ | 4F.00/ A.N.41 | \$924 | 2 | 1 | Two-family attached, | 858 square feet |
| 2 | <50% AMI |) 5 924 | _ | 1 | two story | (est.) |

3. CDBG and HOME Requirements

3.A. Income Targeting and Rents

As proposed, the project will meet CDBG income targeting criteria. Each unit will be rented to moderate-income households. Moderate-income households are defined as households earning at or below 80% of AMI.

The proposed rent structure assumes that tenants will pay for utilities. Under the City's Affordable Rent Policy, "monthly rents charged to tenants cannot exceed 35 percent (if cost of rent only) of the monthly adjusted income of a household whose gross income is 70 percent of the Boston AMI." If HOME funds are utilized for the project, at least one unit must charge no more than the Low HOME rent limit. The proposed rents for these units comply with this threshold, as shown below.

2 Bedroom Unit w/ 3 person Household size at or below 50% AMI

| | Household Size | Max Gross Rent | (-) Utility Allowance | (=) Net Rent |
|----------|----------------|----------------|-----------------------|--------------|
| Low HOME | 3 person | \$1,108 | \$194 | \$924 |

In contrast, the median market rent for 2 and 3 bedroom units is \$2,200 and \$2,650, respectively.¹

3.B. Eliqible Costs

The proposed use of CDBG and HOME funds would reimburse the project for acquisition, rehabilitation, deleading and soft costs. CPA funds would likely be used for acquisition, construction and soft costs.

3.C. Affordability Period

¹ As of September, 2014. http://www.zillow.com/newton-ma/home-values/

#356-15

If funding for this project is approved, the City will impose an initial 30-year affordability period enforced by a declaration of affordable housing covenants running with the land. The City will submit an application to the Massachusetts Department of Housing and Community Development requesting that the project remain affordable in perpetuity.

3.D. Labor Requirements/ Procurement

The wage requirements of the Davis-Bacon Act do not apply to this project because it consists of less than eight total units. The Division will manage the competitive bid process in conjunction with the Purchasing Department in accordance with the City's Procurement Policy for Affordable Housing Projects.

3.E. Environmental Review

The City is required to conduct an environmental review prior to commitment of federal funds. As part of the assessment, if funding for this project is approved, staff will review evidence that the property is free of potentially hazardous materials and that the project will not have any adverse effect on the surrounding environment. The lead inspection report found the presence of lead, on some doors and windows. The costs for the lead abatement are estimated to be \$14,500.

4. Development Entity and Capacity

The Sponsor has demonstrated past experience in developing affordable rental housing using the acquisition-rehabilitation model, with 11 similarly developed units in its portfolio. Each of the completed units are occupied by low-or moderate-income tenants who represent numerous ethnic and racial backgrounds.

5. Design and Construction

5.A. Site Plans & Zoning / Permitting

The proposal will not require zoning relief.

5.B. Proposed Rehabilitation

The Division's Housing Rehabilitation/Construction Manager has reviewed the inspection report and the preliminary scope of work submitted by the project architect. The estimated cost of rehabilitation is approximately \$148,528, which includes necessary deleading. The rehabilitation scope includes:

- Exterior Building Envelope Repairs: Replace Roof; Repoint masonry chimney to prevent failure; Repair siding, siding trim, seal penetrations and repair gutters and downspouts to prevent water infiltration; Porch repair of decking, structural supports, lattice to prevent failure;
- Interior Building Repairs/Rehab: repartitioning of second floor kitchen with new cabinets and appliances;
- Mechanical/Electrical System Repair/Replacement: Addition of new heating system (currently both units on one system); insulation of attic; Replace/repair misc. plumbing including waste lines and valves; Repair electrical connections;

- Basement Repair and Mold/Asbestos Remediation: Remove basement ceilings and wall
 finishes to determine extent of mold, and to provide proper access to electrical panels;
 Remove/encapsulate/cover basement asbestos flooring tile; Repair/replace basement
 rotted/termite damaged partitions, stair and frame sills;
- Lead paint testing and removal.

The estimated rehabilitation cost is \$86/square foot. Recent projects with substantial rehabilitation have cost \$97/square foot, \$105/square foot and \$113/square foot, while projects with moderate rehabilitation have cost \$63/square foot and \$37/square foot.²

Staff believes that the scope of work consists of legitimate items that need attention or will avoid future issues.

6. Financials

The feasibility analysis is based on the Development Budget and an Operating Pro Forma and ten-year Operating Budget, both revised August 21, 2015. Particular items to note are identified below:

6.A. Proposed Financial Structure

The projected total development cost is \$905,410 (\$452,705 total cost per unit and \$390,205 public subsidy per unit). The proposed sources consist of 86% public subsidy (CDBG, HOME and CPA funds), 14% foundation grants (Charlesbank Homes and Federal Home Loan Bank). The purchase price of the property is \$610,000. An independent appraisal found the property value to be \$610,000, thus supporting the actual purchase price.

Overall, the project is financially feasible, but due to the limited amount of private debt the project can take on, a significant public subsidy is required. The principal reason for the amount of public subsidy is the current market conditions, as Newton's land cost continues to increase. The median sale price for a single-family dwelling in 2014 is \$948,250, which is up from \$890,000 in 2013.³ The median sale price of a two-family dwelling is \$795,000 in 2014, compared to \$665,000 in 2013.⁴ Sixty-Seven percent of the project cost is for acquisition. The cost is further compounded by the tradeoff of project scale and the project's affordability level. Spreading the cost over two units result in a higher per unit cost. A project with more units could potentially have a greater impact on the surrounding neighborhood, but could also substantially reduce the overall cost (if the project includes market rate units) and the cost per unit. The proposal is underwritten at rents affordable to households at 50% AMI and 80% AMI. However, the sponsor has indicated that the target population will be at lower income levels

² Total rehabilitation cost divided by gross building area. \$97/square foot – 54 Eddy Street \$105/square foot - 61 Pearl Street; \$113/square foot - existing group residence; \$63/square foot - 20-22 Falmouth Road; \$37/square foot - 2148-50 Commonwealth Avenue

³ The Warren Group http://rers.thewarrengroup.com/sor/tssearch.asp; calendar year 2013 and 2014 (year-to-date for 2014)

⁴ City of Newton Assessor's Department; calendar year 2013 and 2014 (year-to-date for 2014)

#356-15

and likely have housing vouchers. For comparative purposes, the table below shows the total development costs, total public subsidy per unit and subsidy per bedroom of similar projects since 2005.

| Project Address/ | Project Type | Affordable | Total | Total Public | Total Public |
|---|---|------------|------------------|---------------------------|--------------|
| Sponsor/Year | and Scope | Units | Development Cost | Subsidy/Unit ⁵ | Subsidy/Bed |
| 10-12 Cambria Road, 2015 | Rental – Acquisition/Rehab | 2 | \$905,410 | \$390,205 | \$195,103 |
| 54 Taft Avenue CAN-DO 2014 | Rental – Acquisition, Rehab/Construction | 2 | \$1,134,029 | \$482,014 | \$192,806 |
| 54 Eddy St. CAN-DO 2012 | Rental – Acquisition and Rehab | 2 | \$1,115,250 | \$472,625 | \$189,050 |
| 61 Pearl Street CAN-DO 2010 | Rental – Acquisition and Rehab | 3 | \$1,370,000 | \$381,667 | \$190,833 |
| 2148-50 Commonwealth Ave. CAN-DO 2009 | Rental – Acquisition and Rehab | 2 | \$950,000 | \$337,500 | \$135,000 |
| 11-13 Cambria Road CAN-DO 2006 | Rental – Acquisition and Rehab | 2 | \$1,437,511 | \$315,512 | \$126,205 |
| 20-22 Falmouth Street CAN-DO 2005 | Rental – Acquisition and Rehab | 2 | \$1,178,933 | \$325,601 | \$130,240 |
| 163 Jackson Road CAN-DO 2005 | Rental – Acquisition and Rehab | 2 | \$1,178,048 | \$325,158 | \$130,063 |

6.B. Developer Fee

The developer fee and overhead are projected at \$66,327, or 8% of total development costs, excluding the replacement reserve fund. The proposed fee is within the standard recommended by the National Council of State Housing Agencies of 15%. It is also lower than the 10% distribution limit allowed under Chapter 40B.

6.C. Cash Flow

The proposal is viable from a cash flow perspective with sufficient income to cover expenses based on a projected \$2,471 Net Operating Income (e.g. income after expenses) once the property is fully leased. The proposal reflects a fully funded development with no mortgaged debt.

7. Architectural Accessibility

7.A. Design and Construction Applicability

⁵ Includes all HOME, CDBG and/or CPA public subsidy grants and loans

#356-15

The City's Accessibility in Affordable Housing Guidelines encourages applicants to enhance the accessibility of their projects to the extent that it is financially feasible. The Sponsor has not proposed adding accessibility features.

8. Fair Housing and Equal Opportunity

CDBG or HOME does not require affirmative marketing for a project of this size. However, the Massachusetts State Department of Housing and Community Development Local Initiative Program will require the submittal of an affirmative marketing plan prepared in accordance with Section III of the Chapter 40B Guidelines, including a description of the lottery process that will be used for the project.

If approved, this proposal would, to the greatest extent possible, provide employment and training opportunities to lower-income area residents and businesses during construction, as required by Section 3 of the Housing and Urban Development Act of 1968.

9. Community Need

Affordable rental housing is in great demand. The Newton Housing Authority waiting list for family public housing is approximately seven years. According to the U.S. Census approximately 24 percent of Newton's population earning below 80% of AMI and many of these residents are housing cost burdened. This cost burdening is due in part to the change in the demographics of the City which has steadily transitioned from an economically diverse community to one of concentrated affluence. Between 2000 and 2013, the number of households earning below \$125,000 declined by almost 4,700 while households earning over \$200,000 increased by more than 4,200. Most of the limited new or re- construction is targeted to this demographic and often eliminates modest cost housing.

As stated in the City's FY16-20 Consolidated Plan and the FY16 Annual Action Plan, it is a priority objective to provide deeper development subsidies per unit in projects, so long as the developer provides at least one of the following: 1) units that are accessible to persons with disabilities, where not required by applicable law and there is a substantiated market demand; 2) units for low-income households (at or below 50% of AMI) that do not have rental assistance; 3) units that provide permanent supportive housing to homeless persons including veterans; and 4) units for persons with special needs with accompanying support services.

This proposal creates new affordable rental housing opportunities for one household earning up to 80% of AMI and one household earning up to 50% AMI without rental assistance, meeting the priority objective #2 identified above.

10. Recommendation

The division presented the project to the Planning and Development Board on October 5, 2015. At that time the Division presented concern regarding several issues including (1) incomplete proposal submission; (2) outstanding questions regarding tenant selection and supportive services; and (3) the question of meeting conditions imposed for the funding of the Taft Avenue project prior to funding a new project. These concerns have been responded to, the complete

proposal has been submitted, the tenant selection and supportive services will be added as a condition to funding and the Board agreed to review the CAN-DO's financial and organization status at the December meeting.

The division also recommended the project only be funded by HOME funds and that the CDBG funds are reserved to be allocated following the issuance of an RFP in the spring of 2016. However, the Planning and Development Board voted to fully fund the project the requested amount taking into consideration the merits of the project and the sequential order of the request and the issuance of the notice of the RFP.

Based on the Planning and Development Board's recommendations and allowances for conditions for commitment and organizational oversight by the Board, the division recommends the project be fully funded in the amount requested \$309,293 with the following allocations:

| Total HOME ar | nd CDBG Project Funding | \$ 309,293.00 |
|---------------|-------------------------------------|------------------|
| Total Recomm | ended CDBG Funding | \$ 143,293.63 |
| Total HOME Fu | ınding | \$ 165,999.37 |
| HM15-09(C) | Competitive Pool Relinquished Funds | \$ 25,578.00 |
| LINAAE 00/C) | CHDO Set-Aside | |
| HM13-06(B) | EN Project Funds | \$ 17,163.00 |
| HM15-06(B) | EN Project Funds | \$ 3,172.20 |
| HM14-06(B) | EN Project Funds | \$ 482.72 |
| HM16-06C | CHDO Set-Aside | \$ 21,106.55 |
| HM16-06B | EN Project Funds | \$ 98,496.90 |

The amount listed in HM15-09 is CHDO Set-Aside funding that was originally allocated to a member of the WestMetro HOME Consortium. The exclusive use of that funding by the member has expired and per the Mutual Cooperation Agreement the funds are to be relinquished into a pool to be allocated through a RFP process. CAN-DO will submit a proposal for the HM15-09 funding for the 10-12 Cambria Road project. The RFP proposals are due December 18th and allocations will be made on January 14, 2016. In the event that the project is not awarded the additional \$25,578.00 in funds, the division will request the amount be made available from CDBG funding.

The division recommends that the following items be added to the conditional commitment to the project:

- CHDO Recertification Approval
- Commitment letter for non-Newton funding
- Additional narrative of supportive services for residents

#356-15

 Adoption of the Taft Avenue Affirmative Fair Housing Marketing Plan as approved by DHCD.

Finally, the Division requests that CAN-DO take clear steps to meet conditions outlined in the approval of CDBG and HOME funds for Taft Avenue (Attachment B), specifically, the organizational requirements including the submission of financial audit, operating budget, etc. and the submission of organizational strategic plan. While these items are not specifically tied to the funding of Cambria Road, there is clear directive that it is imperative that these conditions are met in a timely manner.

While the project funding is recommended, it is worthwhile to note that the Division continues to seek projects that leverage city-controlled federal funds to develop a greater number of affordable housing units and introduce greater diversity of housing unit types into Newton's housing stock. Such larger projects are essential to ensuring opportunities for households across the full range of low and moderate incomes and meeting the needs of Newton's changing demographics, which are the outcomes driving the Mayor's goal of creating 800 new units of SHI eligible housing, by 2021. To this end, the City is currently engaged in a process to develop a City-wide Housing Strategy which will in part help to identify housing development goals and set criteria to promote diverse affordable housing development in the City of Newton. The criteria will be used to guide the evaluation of proposals for projects that seek an allocation of City controlled funding through the RFP that will be issued in the of Spring 2016.

Subject: Fwd: Can-Do's: Taft Ave, Cambrian Road, Cherry St, and SHI

Mr. Olson,

Please pass this on to all of the city Counselors.

Counselors,

Document A attached clearly shows that Can-Do's Veteran's house, Pearl Street and Eddy Street are not part of the city's SHI.

Your docket # 104-15

Isn't it about time to stop giving tax payer money to Can-Do?

Sent from my iPad

bikerml@aol.com

Subject: Can-Do's: Taft Ave, Cambrian Road, Cherry St, and SHI

Mr. Mayor,

Some facts to open your eyes before you give Can-Do even more tax payer's funds

Re: Can-Do's Taft Ave, Cambrian Road, Cherry St, Subsidized Housing Inventory

1. Can-Do's last three projects Veterans House, any veterans living here? Pearl Street and Eddy Street a total of seven units of affordable housing, can not be used in the city's subsidized housing inventory (SHI)

The reason, Can-Do does not use a lottery system to find tenants, they only rent to friends and family.

Document A attached from planning dept.

Councilor Docket # 104-15

2. Can-Do's Taft Ave project, that was funded last year is sitting empty without any work being done. This is another 40b project. Councilor Docket # 55-15.

According to the financials given to the planning and development board on 12/7/15 it appears Can-Do received \$47,429 of their development fee CPA funds for a project sitting empty for almost a year. Every month Taft Ave is costing Can-Do carrying costs without any money coming in, only money going out.

Document B attached

I would be very surprised if Taft Ave's two units of housing will be able to be included in the city's SHI, because in Can-Do's paperwork they say the units are saved for a small special group of people, once again avoiding a lottery system to find tenants.

3. If you look at Can-Do's financials, with eyes open, you will see Can-Do is running a Ponzi scheme .

A new project with large development fees is needed to pay old bills.

Document B attached, if large developer fees and donations stop, Can-Do stops.

They need new funds, developer fees and donations to pay old bills, a Ponzi Scheme.

4. Can-Do is looking for increased funding on their Cambrian Rd. Councilor Docket # 356-15.

5. Cherry Street, \$537,611 of CPA funds for Can-Do's developer fee!

Taking one of the oldest and most historical buildings in the city and making it into a four unit apartment building with five more pre fab buildings added to this site.

What credentials does Can-Do have to do this very large complicated development like this ?

Last time Can-Do tried a project this large they lost a million dollars of tax payer funds.

2.5 million dollars for this lot with an historic building on it seems very expensive.

No one except Can-Do would be allowed to change an historic building this way.

6. Developer fee to be paid to Can-Do with CPA funds for Taft Ave, Cambria Rd, and Cherry St is \$704,385, not a bad pay check.

Who's the winner the tax payers or Can-Do?

Answer: Can-Do now they have the cash to keep their Ponzi Scheme going.

Summary:

How can the city give more money to Can-Do an organization with, not only a proven failed business plan, but a year old empty Taft Ave project?

Can-Do can not finish one project Taft Ave and now they want two more projects funded with tax payer funds.

When will you stop the entitled Can-Do?

Thank You, Michael Lepie Senior Citizen & Tax Payer

Honorable City Council Newton City Hall 1000 Commonwealth Avenue Newton, MA 02459

Ladies and Gentlemen:

I hereby reappoint Elizabeth Dromey of 15 Horace Road, Belmont as Chair of the Board of Assessors for a term expiring February 1, 2019.

Thank you for your attention to this matter.

Very truly yours,

Setti D. Warren

Mayor

January 25, 2016

Honorable Board of Aldermen Newton City Hall 1000 Commonwealth Avenue Newton, MA 02459

Ladies and Gentlemen:

I write to request that your Honorable Board docket for consideration a request to transfer the sum of \$25,000 from June 30, 2015 Certified Free Cash to Acct # 0110901-511001 Human Resources Department Full Time Salaries.

The Human Resources Department has had an employee out on maternity leave and has also been experiencing a significant increase in workload as all of the recently negotiated collective bargaining agreements have required implementation. Human Resources is a small, critical department that does not have payroll flexibility to absorb additional costs. This funding is necessary so that the department will be able to fulfill its operational mission.

Thank you for your consideration of this matter.

Very truly yours,

Setti D. Warren

Mayor

Honorable Board of Aldermen Newton City Hall 1000 Commonwealth Avenue Newton, MA 02459 2016 JAN 25 PH 4: 06

Ladies and Gentlemen:

I write to request that your Honorable Board docket for consideration a request to transfer the sum of \$25,000 from June 30, 2015 Certified Free Cash to Acct # 0111801-511001 Financial Information Services Full Time Salaries.

As you may know, the Manager of F.I.S., Ann Cornaro has announced her retirement after 44 years of service to the City of Newton. F.I.S. is a small, critical department that does not have any payroll savings accumulated to absorb the costs of vacation and sick buyout. This funding is necessary so that the department will be able to fill Ann's position upon her retirement.

Thank you for your consideration of this matter.

Very truly yours,

Setti D. Warren

Mayor

Honorable Board of Aldermen Newton City Hall 1000 Commonwealth Avenue Newton, MA 02459

Ladies and Gentlemen:

I write to request that your Honorable Board docket for consideration a request to transfer the sum of \$25,000 from June 30, 2015 Certified Free Cash to Acct # 0110601-511001 Assessing Department Full Time Salaries.

The Assessing Department is losing a long term employee. The Assessing Department is a small, critical department that does not have payroll flexibility to absorb the costs of vacation and sick buyout. This funding is necessary so that the department will be able to fulfill its operational mission. In addition to the funding request, I ask that the Council authorize a temporary increase in FTE while this employee is transitioning to retirement.

Thank you for your consideration of this matter.

Very truly yours,

Setti D. Warren

Mayor
