To Whom it May Concern:

I am writing to request re-appointment to the Election Commission for another term. Since my re-appointment, the Commission has overseen numerous changes thrust upon us spontaneously. The pandemic brought the advent of vote-by-mail with the huge amount of detail that involves. We have transitioned to a new city clerk, run municipal, state, federal and special elections. We have transitioned from established polling places to new ones. Throughout this time of transition the stability of the Commission helped to maintain the security of Newton's voting process.

In the near future we will be purchasing new voting machines for the entire city, an upgrade that will further secure the integrity of Newton's voting process. I hope to be able to continue to provide stability through the upcoming changes. I look forward to an opportunity to continue to serve the city in the capacity of Election Commissioner for the next 3 years.

Sincerely yours,

Nancy M. Levine
