Hello Councilors,

Councilor Downs has provided the item below for Docketing. Please let me know if you would like to sign on to the item.

Discussion regarding the residential parking program

Councilors Downs, Leary, Bowman and _____ requesting a discussion of the residential parking permit program costs, convenience and pricing.

The residential parking permit program pricing has not been updated recently (maybe at all?), and according to NPD costs more to administer than Newton charges.

This is a discussion and data-gathering docket item. Please let Carol Moore know if you would like to sign on.
