Hi All,

Our cost to purchase a residential sticker is roughly \$2.00 each. We sell them for \$25 each. We do not have an online option for purchasing them through a 3rd party vendor yet. We have had many companies listen to our permitting process and say it is more complicated than they can handle. A few say the price to residents would be high due to the small number of permits we issue compared to other cities.

Sincerely,

Hi Sgt.
just spoke with Councilor Downs on this item.

#149-23 **Discussion regarding the residential parking program**
COUNCILOR DOWNS, LEARY, BOWMAN, MARKIEWICZ, TARIK AND DANBERG requesting a discussion of the residential parking permit program costs, convenience and pricing.

She would like the following info provided for discussion on June 21, if not we will discuss at a later time.

What does it cost per permit now and for people to apply online to set the price at what it costs so it is not subsidized.

thank you
Danielle
