Subject: RE: Freudberg appeal signature addresses

Danielle,

I think that the appeal needs to move forward because Jeremy is a member of Traffic Council and could therefore docket new items or appeals on his own, even without any additional signatures. In this case he collected some signatures anyway.

David

Subject: Freudberg appeal signature addresses

Hi David,
Map attached with circled addresses of 7 appeal signatures. I think a few are questionable because they don't "abut the affected street".

Thoughts.

Danielle
