Hi Danielle,

I just got the letter in today's mail regarding the scheduling of my appeal at PS&T.

A few things...

I'm not even sure that I'm available on this date. I would've appreciated being consulted on the date.

Which addresses received letters?

The label on the envelope looks like it was generated from the assessor's data on property owners. Did you also notify residents (relevant for two-family houses or other rental properties)?

Most importantly, why is the meeting not hybrid?

Thank you.

Best,
Jeremy
