OK.

I just talked with Councilor Bowman, who thinks this does NOT need additional notification. And a bit ironic, since Mr. Freudberg's initial concern was cost of a stop sign.

Maybe notify the original petitioners + all the people who signed the appeal form?

Hi Danielle:

I would defer to David's judgement on this. I do think we should notify the original petitioners and those who spoke to Traffic Council originally.

I will also ask Councilor Bowman, as this is her ward.

Hi Andreae,

I know the appeal has not been scheduled for discussion, just thinking ahead.

Jeremy letter, TC notification map and labels are attached regarding his request for a larger notification.

We notify property owners, not each resident for City Council public hearings and Traffic Council meetings and we always use the same mailing from TC for an appeal.

Do you want to expand the notification map?

Thanks Danielle
