

Petition to the Newton City Council:

We, the undersigned, being voters in the city of Newton, hereby file a group petition under Article X, Section 10.2, of the Newton City Charter, to request the City Council hold a public hearing, using the procedures set forth in the City Council Rules and, where applicable, under Robert's Rules of Order, allowing petitioners and those opposed to said petition to make a presentation of not more than forty-five (45) minutes each, limiting speakers (who must be Newton voters) to speak for not more than five (5) minutes each, alternating speakers for and against the question of inserting a nonbinding referendum on the ballot and to take action not later than three (3) months after the petition is filed with the City Clerk, on the following:

Shall the Newton City Council cause a non-binding question to be inserted on the ballot in the next municipal election, scheduled for November, 2023, to obtain a sense of the will of the electorate on the following question:

“Shall the City of Newton adopt new zoning laws to:

- 1. Allow new buildings of three and one-half and four and one-half stories in our village center business districts;**
- 2. Allow the expansion of the lot sizes on which new developments can be built, without obtaining a special permit, from the current 10,000 square foot threshold to 30,000 sq ft;**
- 3. Allow the reduction or elimination of parking space requirements in Village Centers;**
- 4. Change Newton Ordinances to allow developers to build fewer affordable housing units and allow the affordable units to be occupied by tenants with more income than provided by Newton’s Ordinances, unless Newton shows its requirements are economically feasible.**
