Dear Carol,

Since we are not up and running on the new docket system yet, I am requesting that you file the following docket request for me:

Councilors Danberg, Leary, Greenberg, Albright, Norton, Kelley, Malakie, Wright, Markiewicz, Crossley, Downs, Noel, Bowman, Ryan, Kalis and Lipof requesting discussion and possible amendment to section 12-72 "Sustainable Containers, Packaging and Single Use Ordinance" to further reduce the amount of single use plastic in Newton.

The Plastics Reduction Working Group has been working on this ordinance amendment for almost a year now and have done considerable diligence on it. I would like for it to be taken up in Programs and services within the month if possible to coincide with Councilor Leary's docket item on commercial recycling. **I will request of Councilor Krintzman that he not schedule the items on March 22nd as I will not be available on that day.**

Thank you and please feel free to call or email me with any questions.

Regards,

Vicki Danberg
