Subject: docket item

Hi Carol,

I would like to docket this item in Programs & Services for the July 10th meeting. I'm not sure if you need the ballot language in the docket.

Councilors Lucas, Wright, Markiewicz, Malakie, & Oliver requesting that a non-binding advisory question be placed on the ballot for the November 2023 Elections.

Should the Newton City Council vote to adopt a zoning ordinance for Newton village commercial centers so that parcels under 30,000 square feet would have the opportunity to be redeveloped to construct multi-family housing, or a mix of business and multi-family housing, in buildings up to 3.5 to 4.5 stories high, without requiring onsite parking and prior approval from the City Council?
