Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I am (mostly) retired after a 44-year career in architecture. And I am also a 41-year resident of Newton, all but one of those years in the same house in Auburndale. I've played golf at Newton Common wealth for 40 of those years. Our son was educated at Burr, Day and North. We have enjoyed all the benefits of living in this great community. And now is the time to start giving back. On my resume you will see that my career was spent solving difficult planning, design and budget issues on large health care projects at some of the most prestigious academic medical centers in the country. In addition, I have been a volunteer with MassGolf the last three years. This last year I became a rules official. Taken together my experiences will help me learn quickly. I am ready to contribute. Thanks for your consideration, Jack Synnott
