Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

My name is SingNing Kuo. I got my master degree of landscape architecture at RISD and had been practicing landscape design for over 15 years in Boston and Shanghai, China. In May 2019, I got a job offer from my previous firm and decided to move back to Boston. Since I moved back, I have noticed lots of exciting developments and would like to contribute my knowledge and experiences to support my community.
