Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

As a former design professional I'm certainly familiar with the many approvals processes projects are subject to and now as a retiree I have ample time to devote. I've served in volunteer capacities before, most notably as President of the Massachusetts American Institute of Architects. At the same time, I recognize the enormous developmental pressures communities such as ours are subjected to and am eager to contribute to efforts to preserve and enhance the built environment we already enjoy.
