Good Morning. I'm away so cannot come in but wondering if you can docket this item in Programs and Services - let me know if you have any questions. (Josh, Mayor says bring it up post Jan 14 as they will have a good update then)

Councilors Kalis, Laredo, and Krintzman and Lipof requesting an update on the City's efforts regarding the ongoing Covid-19 pandemic, including whether ARPA funds can be used to offer free Covid testing for Newton residents, the status of school-based Covid testing, vaccination requirements for city and school employees, and other ongoing or new support the City is offering residents and businesses.
