CITY CLERK  
CITY OF NEWTON  
NEWTON, MA. 02459

IN CITY COUNCIL

Title Reference: see Deed of Carole A. Nathanson to Petitioner dated December 13, 2011, recorded with Middlesex South District Registry of Deeds in Book 58149, Page 306.

May 2, 2022

ORDERED:

That the Council, finding that the public convenience and welfare will be substantially served by its action, that the use of the site will be in harmony with the conditions, safeguards and limitations set forth in the Zoning Ordinance, and that said action will be without substantial detriment to the public good, and without substantially derogating from the intent or purpose of the Zoning Ordinance, grants approval of a SPECIAL PERMIT/SITE PLAN APPROVAL to waive five parking stalls and allow single-level, non-accessory parking as recommended by the Land Use Committee for the reasons given by the Committee through its Chairman, Councilor Richard Lipof:

- The specific site is an appropriate location for the five-stall parking waiver and single-level non-accessory parking because the religious use generally operates when other uses on-site are closed and the single-level, non-accessory parking agreement has been in existence for over 30 years. (§7.3.3.C.1)
- The five stall parking waiver and single-level non-accessory parking will not adversely affect the neighborhood because the use does not create additional parking demand during peak weekday hours, and the single-level, non-accessory parking agreement has been in existence for over 30 years. (§7.3.3.C.2)
- There will not be a nuisance or serious hazard to vehicles or pedestrians because the driveway locations are being maintained. (§7.3.3.C.3)
- Access to the site over streets is appropriate for the types and numbers of vehicles involved because the site is not being altered. (§7.3.3.C.4)
- A waiver of five parking stalls is in the public interest because the use does not create additional parking demand during peak weekday hours. (§5.1.13)
