We are in favor of Proposal 2, strongly , as 50+ year residents of Islington Peninsula. Without a light, entering east on Comm. Ave is hazardous!

Given apparent strong support for #1, we would like to propose the following compromise:

RELOCATE the pressure-sensitive light currently at AshSt. to Islington Rd, thereby solving the issue of providing safe access to Route 30.

Chris and Harry Kirsch
41 Kingswood Rd., Auburndale
