**SUBJECT:** Nuestra (The Boston Garden)

Proposed Marijuana Establishment

1185 Chestnut Street

Newton, MA

Hayes Engineering, Inc. (HEI) has prepared this Traffic Impact Statement in support of the proposed Nuestra, LLC ("Nuestra") Marijuana Establishment proposed at 1185 Chestnut Street in Newton, MA (the "Property"). The purpose of this Impact Statement is to evaluate the anticipated Average and Peak Hour trip generation rates and volume for the facility under both its prior and proposed uses. **This report was revised on March 25, 2022 to reflect changes in the proposed gross floor area (GFA) of the building and parking layout.** 

#### **Site Context**

The Property is located on the southerly side of Chestnut Street approximately 425-feet west of the intersection of Chestnut and Oak Streets. The site is currently served by an existing curb cut along the Chestnut Street frontage. There is a single 7,880-sf<sup>1</sup> block-masonry building on the parcel with associated asphalt driveway and parking areas. The posted speed limit on Chestnut Street is 25 miles per hour (mph) in both directions of travel. The prior use for the parcel was "Especially for Pets" providing retail pet products, pet grooming and pet training services. The Applicant seeks to reuse a 4,988-sf. portion of the building as a retail marijuana establishment and demolish approximately 2,892-sf. of footprint to expand on-site parking.

## **Trip Generation**

Average Daily Vehicle Trips and Peak Hour Trips for the project are calculated using data published by the Institute of Transportation Engineers (ITE) Trip Generation Manual, 10<sup>th</sup> Edition.

# **Existing Condition:**

The previous use is similar to the Institute of Transportation Engineers (ITE) Land Use Code (LUC) 866, Pet Supply Superstore, defined in the ITE Trip Generation Manual, 10<sup>th</sup> Edition as being:

... a free-standing facility that specializes in the sale of pets and pet supplies, food, and accessories.

Trip Generation rates for the existing land use conditions are summarized in Table 1, below:

The proposed Marijuana Establishment use is best classified as Institute of Transportation Engineers (ITE) Land Use Code (LUC) 882, Marijuana Dispensary, defined in the ITE Trip Generation Manual, 10<sup>th</sup> Edition as being:

... a standalone facility where cannabis is sold to patients or consumers in a legal manner.

Trip Generation rates are summarized in Table 1, below. It should be noted that the ITE cautions the use of its Marijuana Dispensary data as it was derived from a small sample set.

1185 Chestnut Street Newton, MA April 21, 2021 Revised March 25, 2022

It is our opinion that the early data obtained by ITE is representative of additional trip generation due to curiosity and the scarcity of the use. This is evidenced by actual data obtained by monitoring existing and operational dispensaries in the Commonwealth. HEI monitored total transactions at a recently opened recreational and medical marijuana dispensary in Lynn, MA during the initial opening period between October 26 and November 18, 2019. It was assumed that each transaction represented an individual vehicle having 2 trip ends to the facility, one arriving and one departing. Table 2, below, estimates projected trip ends for the proposed Nuestra facility using these more recent, observed rates:

**Table 3:** Trip Generation Observed, Lynn, MA

Time Period	Average Trip Ends per 1,000sf GFA	Estimated Vehicle Trip Ends <sup>(5)</sup>
Weekday Daily	144.16	373
Saturday Daily  (5) — Based on 2 586+ square fee	176.74	457

<sup>(5) –</sup> Based on 2,586± square feet of retail GFA, the remainder of the building will be dedicated to office/storage.

Traffic conditions are most impacted by primary, or new, trips. Primary trips are traffic with the specific purpose of visiting the destination. Not all vehicle trips anticipated by the proposed dispensary represent new trips. It is anticipated that many customers to the facility will be pass-by trips, rather than destination trips to the facility, and will have minimal impacts to vehicle traffic conditions in the area.

Studies have shown that for developments such as the proposed dispensary, a substantial portion of vehicle trips are from existing traffic passing by the site or diverted from another route to the proposed site. Data presented in the ITE Trip Generation Handbook indicates that for the average percentage of pass-by trips for Pharmacy/Drugstores without Drive-Through Windows is 49-percent during the weekday PM peak hour. This would further reduce the number of new vehicles that are anticipated to be traveling to/from the site. HEI conducted a transportation survey of 257 patrons exiting an existing dispensary operating in Brookline, MA on June 13, 2019 identified 53.7% of patrons considered their stop to be a pass-by or diversion trip on their way to their ultimate destination.

Using a pass-by trip rate of 49% for the dispensary rates reduces the anticipated number of vehicle trips as identified in Table 4, below:

The remainder of the facility will be used for general office and storage purposes in support of the dispensary. ITE) Land Use Code (LUC) 712, Small Office Building, defined in the ITE Trip Generation Manual, 10<sup>th</sup> Edition as being:

A small office building houses a single tenant and is less than or equal to 5,000 gross square feet in size. It is a location where affairs of a business, commercial or industrial organization, or professional person or firm are conducted.

Trip Generation rates for the office portion of the proposed use are summarized in Table 5, below:

Weekday PM Peak Hour	17	48	+31
Saturday Daily	90	347	+257
Saturday Peak Hour	56	49	-7

Peak hour traffic is used to evaluate roadway level of service. The maximum, projected, peak hour increase in vehicles from the use, using the larger ITE rates, is 31 trip ends during the Weekday PM Peak Hour. This anticipated increase is not anticipated to have an adverse effect on prevailing traffic conditions.

## **Stopping Sight Distance**

Sight distance considerations are divided into two criteria:

- (1) Stopping Sight Distance (SSD); and
- (2) Intersection Sight Distance (ISD).

Approach SSD is the distance required for an approaching vehicle to perceive and react accordingly to a driveway exiting vehicle or object. Stopping sight distances used for design is the sum of two distances: (A) the distance a vehicle travels after the driver sees an object and begins breaking, and (B) the distance it travels during breaking, as calculated for wet level pavement. When the main roadway is either on an upgrade or downgrade, grade correction factors are applied.

ISD is based upon a perception and reaction time, and time required to complete the desired exiting maneuver after the decision to do so have been made. Values for exiting ISD represent time required to turn left or right from a stop condition, to accelerate to the operating speed of the street without causing approaching vehicles to reduce speed by more than 70% of their initial/design speed and, upon turning left, to clear the near half of the street without conflicting with vehicles approaching from the left having to reduce their speed by more than 70% of their initial/design speed. The ISD, therefore, is considered to enhance the operation of the adjacent street traffic over and above the actual needs of the stopping sight distance that is needed for the safe operation of the intersection.

Approach SSD is far more important, as it represents the minimum distance required for safe stopping, while exiting ISD criteria is based only upon acceptable speed reductions to the

1185 Chestnut Street Newton, MA April 21, 2021 Revised March 25, 2022

approaching traffic streams. As noted in ASSHTO, "If the available sight distance for an entering or crossing vehicle is at least equal to the appropriate stopping sight distance for the major road, then drivers have sufficient sight distance to anticipate and avoid collisions". This would be, basically, the minimum criteria for the safe operation of an unsignificant distance to anticipate and avoid collisions.

The required approach SSD for each of the curb cuts was calculated using the following formula (AASHTO, p.3-5):

$$SSD = 1.47(V)(t) + 1.075 \left(\frac{V^2}{a}\right)$$

Where:  $V = 85^{th}$  percentile Speed

t = 2.5 seconds

 $a = 11.2 \text{ feet/second}^2$ 

Required and provided SSD for the driveway intersection is presented in Table 3, below. Because a speed survey was not conducted on Chestnut Street the 85<sup>th</sup> percentile speed was conservatively assumed to be 10-mph above the posted speed limit of 25-mph.

<u>Location</u>	Posted Speed	85 <sup>th</sup> Percentile Speed	Calculated SSD for 85 <sup>th</sup> Percentile Speed	Approximate Provided SSD
Site Drive at 1185 Chestnut St Eastbound	25 mph	35 mph	246 feet	300± feet
Site Drive at 1185 Chestnut St Westbound	25 mph	35 mph	246 feet	400± feet

The proposed Project site drives will provide adequate stopping sight distance for approaching vehicles.

1185 Chestnut Street Newton, MA April 21, 2021 Revised March 25, 2022

## **Parking Analysis**

Nuestra seeks to reconfigure the existing parking lot to provide 18 parking spaces. In accordance with the requirements of the Americans with Disabilities Act (ADA) and Massachusetts Architectural Access Board (MAAB) standards one (1) of the 18 spaces will be designated as accessible and be connected to all public facility elements with an accessible route. The space will be served by an 8-foot access strip that will accommodate wheelchair van loading and unloading operations.

Typical transaction times for purchases at marijuana establishments are between 10 and 15 minutes per customer, meaning the parking spaces will turn over between 4 and 6 times per hour. The maximum peak hour demand for the dispensary, using the un-adjusted ITE numbers, identifies 48 trip ends in the Saturday peak hour. Assuming a 15-minute customer transaction time, the 18-space lot would turn over 4-times per hour providing parking for 72 vehicles in the peak hour.

#### Conclusion

The proposed marijuana establishment at 1185 Chestnut Street should not adversely impact prevailing traffic conditions on Chestnut Street and is, preliminarily, designed to provide adequate and safe sight distances. It is recommended that the Proponent work with the City of Newton public safety offices and other departments to develop an opening day strategy that provides for police details, parking attendants and way-finding assistance to minimize disruptions during the initial opening period. This strategy should be reviewed on a daily, or weekly, basis to evaluate its continuing need.

#### **Exhibit E: Opening Day Plan**

Boston Garden shares the City of Newton's goals of ensuring that all operations at its proposed facility are designed to optimize local safety, minimize impact to the surrounding neighborhood, and allow Boston Garden to operate harmoniously within the larger Newton community.

#### I. Plan Goals

- 1. Ensure the safety of customers, employees, and surrounding abutters.
- 2. Minimize the impact of traffic flow on adjacent businesses and nearby streets.
- 3. Facilitate efficient parking lot operations to minimize back up on adjacent streets.
- 4. Implement efficient appointment systems to reduce initial traffic burdens.
- 5. Provide information to allow customers to get to/from the facility efficiently and safely.
- 6. Promote efficient coordination between Boston Garden, the Newton Police Department, and the City of Newton.
- 7. Establish open lines of communication with abutters and nearby residents and local businesses.

# II. Site Plan and Parking

## 1. Use of Parking Spaces

Boston Garden has access to 18 exclusive spaces on site.

# 2. Suitability of Parking Spaces

As outlined in the enclosed **Traffic Impact Statement**, Boston Garden anticipates that at its peak hour, nine vehicles will seek to utilize the dispensary parking lot. Three parking spaces will be reserved for staff. 15 parking spots are available for use. Boston Garden anticipates that the average customer will be on site for 15 minutes.

Average Transaction Time		Hourly Parking Availability (Assuming 15 min visit)
15 minutes (0.25 hr) – 4	Nine spaces will be required	15 spaces * 4 turns = 60 spots
turns	at Boston Garden's parking	available for use each hour
	lot at its peak hour of	
	operations	

# 3. Parking Lot Management

For at least the first six months of operation and as long as deemed necessary by Boston Garden and City officials, Boston Garden will employ a parking lot attendant at the Chestnut Street

curb cut to allow for the safe and efficient flow of customers in and out of the parking lot. The parking lot attendants will direct customers to available parking spaces to eliminate backups occurring in and out of the lot and assist in ensuring that customers safely traverse the parking lot when walking in and out of the facility.

## III. Interior Facility Capacity and Management

# 1. Soft Opening Period

Boston Garden will conduct a soft opening for the fledgling months of operation by only offering facility access to customers that have made an online reservation via Boston Garden's website. Offering appointment only services will assist in preventing an overflow of customers, mitigating traffic impacts, educating customers about how to safely access the facility, and allowing for efficient operations inside of the retail establishment.

If implemented, Boston Garden will meet with the Town after the six months of operations and determine how long a reservation-only system should be utilized based on demand, traffic, and operations. Should City officials request that the reservation system be continued, Boston Garden will request monthly follow up meetings.

# 2. Floor Plan Capacity

Boston Garden's enclosed **Floor Plan** has been designed to accommodate high volume customer counts while protecting consumer privacy, optimizing customer experience, and preserving the flow throughout the retail facility.

Oversight over the number of customers in the facility will be the responsibility of security staff stationed at the entry and exit points of the facility. Staff will utilize a digital tally system for an accurate count of who is in the facility at any given time.

# IV. Dissemination of Traffic and Parking Information

Boston Garden will be sure to include clearly marked information about appointment-only periods, traffic, and parking for its Newton facility on its website and social media channels. Boston Garden will provide information about appointment requirements, traffic, and parking in its responses to inbound media requests should it receive any. A map of traffic flows will be provided. Boston Garden will provide the information to the City of Newton and the Police Department to post or share at its discretion.

Prior to opening, Boston Garden will send a mailing to the neighborhoods closest to the establishment to inform them about opening procedures and provide contact information that they may utilize to receive additional information or alert Boston Garden's management team about system inefficiencies.

#### V. Plan Evaluation

Boston Garden respectfully requests the opportunity to meet with representatives from the City of Newton and the Newton Police Department to discuss traffic and queue management at the

# following times:

- •Prior to opening the facility;
- •One week after opening;
- •Two weeks after opening or as needed in the month following opening;
- •One month after opening;
- •Two months following opening;
- •Six months following opening; and
- •Additionally, at the discretion of Boston Garden, the City of Newton, and the Police Department.

# VI. Plan Utilization Following Opening Day Period

During any periods of high traffic or higher than expected volume following the opening period, Boston Garden will, independently or at the written request of City officials or the Police Department, implement measures of the plan to ensure the facility is operating efficiently, safely, and in harmony with the surrounding community.

The licensee must officially request its initial inspection called a Post-Provisional License Inspection ("PPLI"). In order to officially request a PPLI, the licensee must submit the following documents: (1) Request for PPLI Form and (2) a detailed floor plan of the Marijuana Establishment that shows all entrances/exits, any loading bays, limited access areas including the identification of rooms utilized for cultivation (if applicable), and retail operations that will be accessible by the public (if applicable).

The Request for PPLI Form is attached to this notice. Please complete the form and submit it, along with the detailed floor plan, to <a href="mailto:inspections@cccmass.com">inspections@cccmass.com</a>. Upon receipt of the request and supporting documentation, you will receive notice from Commission staff informing you of the date, time, and location of the inspection.

Please be advised that the issuance of a provisional license is based on the materials or information supplied in support of an application, and certain organizational changes must be approved by the Commission. 935 CMR 500.104(1). All individuals and entities associated with a license application must also provide timely notice (within five business days) to the Commission if it discovers that application information has changed, including new or evolving background check events, or that the information provided was misleading, incorrect, false, or fraudulent. 935 CMR 500.104(2). Finally, a provisional license may not be assigned or transferred without prior approval by the Commission. 935 CMR 500.103(2)(b). The failure to comply with these or other regulatory requirements may result in the suspension or revocation of a provisional license and the denial of

a final license. 935 CMR 500.400 and 500.450. Please note that the Marijuana Establishment shall not possess marijuana for adult-use operations prior to being approved for a final license.

Please be advised that the Commission promulgated revised regulations effective as of November 1, 2019. All licensees must be in compliance with the most recent version of the Commission's regulations prior to requesting their PPLI. The Commission's regulations can be found here: <a href="https://mass-cannabis-control.com/the-laws/">https://mass-cannabis-control.com/the-laws/</a>.

#### **EXHIBIT G: ODOR CONTROL PLAN: VERSION 1.1**

#### 1. Facility Odor Emissions Information

## a. Facility Floor Plan

Please see the enclosed floor plan.

# b. Specific odor-emitting activities

No odor-emitting activities will occur on-site. All marijuana and marijuana products will arrive pre-packaged from licensed cultivation and product manufacturing facilities. Marijuana and marijuana products will be packaged in opaque, odor-resistant packaging that will not emit smells. At no time will loose marijuana be present within the facility for any reason.

## c. Specific odor-controlled rooms

The highest concentration of marijuana and marijuana products will be in the applicant's secured vault. Although the product packaging has been designed to eliminate odors, the applicant will employ carbon filtration odor scrubbers in this area to ensure that odor does not disperse throughout the facility.

## 2. Odor Mitigation Practices

#### a. Engineering Controls

Boston Garden intends to install carbon filtration systems in each room that is designated an odor-control room. Carbon filtration systems utilize pellets of charcoal to trap terpenes as air passes through "carbon scrubbers" installed in the ducting.

As Boston Garden identifies an appropriate vendor to offer industry-specific best control facilities, the applicant proposes to undertake the following initiatives prior to submitting for a building permit:

- 1) Submit information to demonstrate that the engineering control system and all components were reviewed and certified by a Professional Engineer or a Certified Industrial Hygienist as meeting professional expectations of competency and as sufficient to effectively mitigate odors for all odor sources, Submit a process-specific maintenance plan including a description of the maintenance activities that will be performed, the frequency with which such activities will be performed, and the role/title(s) of the personnel responsible for maintenance activities. The activities will serve to maintain the odor mitigation system and optimize performance.
- 2) A timeline for implementation of the odor mitigation system.

#### b. Administrative Controls

#### 1) Procedural activities

Building design and operations management has been optimized to restrict the flow of odor across the facility. Rooms that are odor- controlled will not have windows or other openings that allow for the release of air. Strict access control procedures including auditory notifications and weight mechanisms will be in place to ensure that doors are not left open unintentionally or propped open for long periods.

## 2) Staff training materials

As part of the onboarding process, staff members will receive comprehensive training about standard operating procedures throughout the facility, including protocol relative to odor control. In addition to training about procedural activities, employees that work in designated odor-controlled areas will be trained to ensure exhaust and filtration systems are running appropriately.

## 3) Recordkeeping systems

Boston Garden will maintain comprehensive records, including records of purchases of replacement carbon, performed maintenance tracking, documentation, and notification of malfunctions, scheduled and performed training sessions, and monitoring of administrative and engineering controls.

#### 3. Odor complaint tracking systems

Record of any odor complaints transmitted to the facility by the town, residents, or other parties will be maintained by Boston Garden's staff and addressed immediately. All complaints will be reported to the City's designated representative, Boston Garden's Chief Executive Officer, and the facility manager. The facility manager will be responsible for coordinating with on-site staff and executive management to remedy the problem and respond in writing.

Max Hatziiliades 1185 Chestnut Street Trust 1185 Chestnut Street Newton, MA 02464

RE: Letter of Intent: 1185 Chestnut Street, Newton, Massachusetts 02464

This Binding Letter of Intent and Option to Lease (this "LOI") is to outline the business terms agreed upon between the Landlord and Tenant regarding the Tenant's option to lease the property located at 1185 Chestnut Street, Newton, Massachusetts 02464.

Landlord hereby agrees to grant to Tenant an option to lease the Property on the terms and conditions set forth herein:

**PROPERTY**: 1185 Chestnut Street, Newton, Massachusetts 02464

**LANDLORD:** 1185 Chestnut Street Trust

**TENANT:** Commonwealth Farms 1761, Inc. with the formal entity to be defined.

**PREMISES:** Tenant shall lease the entire Property and the structures thereon, which totals

approximately 7,880 rentable square feet.

USE: Tenant may occupy and operate the Premises as an adult-use Marijuana

Establishment as permitted by the Massachusetts Cannabis Control

Commission, provided Tenant has obtained and maintains all required state and local permits, licenses and approvals necessary in connection with such use. The parties hereby acknowledge that it shall be the sole responsibility of Tenant and its consultants to secure necessary permits and approvals prior to commencement of operations as a Marijuana Establishment, provided, however, that Landlord shall reasonably cooperate and provide necessary documentation for such purposes. The Premises may not be used for any other purpose, other than for ancillary purposes thereto, without the advance written consent of Landlord, which consent may be withheld or conditioned in the sole determination of Landlord. Tenant shall be solely responsible for all costs associated with obtaining state and local approvals, licenses, and permits.

OPTION TO LEASE:

In consideration of the Option Payments (as defined below), for a period beginning on the date of execution of this LOI and ending on the date twelve (12) months therefrom, unless earlier terminated as provided herein, (the "Option Period") Landlord hereby grants to Tenant the exclusive right and option to lease the Premises (the "Option"). Tenant shall have the right to extend the Option Period for and additional one hundred and twenty (120) days (the "Extension Period") by giving written notice to Landlord no fewer than ninety (90) days prior to the expiration of the Option Period. During the Option Period and any Extension Period, Tenant shall pay to Landlord non-refundable option

payments in the amount of eleven thousand seven-hundred and fifty dollars \$11,750) per month (the "Option Payments"). The first three months of Option Payments shall be paid at the time of execution of this LOI. The remaining Option Payments shall be paid on a month to month basis and payable on the first business day of each month at the Landlord's address provided below. The Option Payments shall be non-refundable.

During the Option Period and any Extension Period, the parties shall work together in good faith to negotiate and prepare a mutually acceptable lease agreement based on the terms herein and including all customary and reasonable terms for a Marijuana Establishment lease (the "Lease") in anticipation of Tenant exercising its option to lease. The Option may be exercised by Tenant in Tenant's sole discretion at any time during the Option Period or any Extension Period by providing written notice to Landlord. Upon receipt of such notice, the parties shall, within fourteen (14) days, execute the Lease.

In the event the Tenant fails to exercise the Option prior to the expiration of the Option Period or Extension Period, if applicable, this LOI shall automatically terminate on the expiration of the Option Period, Landlord shall retain all Option Payments made by Tenant, and all obligations of the parties hereunder shall cease, except those which are expressly stated to survive termination. It is understood that the Landlord shall not bear any out of pocket expenses throughout the permitting process and any out of pocket expenses on behalf of the Landlord shall be restricted only to the Landlords legal fees associated with the lease negotiation.

### **RIGHT OF TERMINATION:**

During the Option Period and any Extension Period, Tenant shall have the right to terminate the Option by notifying Landlord, in writing, with seventy five (75) days' notice. For avoidance of doubt, any Option Payments that are paid are non-refundable, including the initial Option Payment equal to the first three months of Option Payments. Tenant shall be responsible for paying the Option Payments until the termination of the Option is effective, and for any portion of the Option Period that is less than a full month pursuant to any such termination, the Option Payment shall be prorated accordingly. Notwithstanding the foregoing, in the event that Tenant's application to the Massachusetts Cannabis Control Commission is denied and Tenant determines not to appeal such decision or any such appeal is denied, the Option shall terminate immediately.

> Upon Lease Commencement, Tenant shall pay Base Rent at the rate set forth below for each month from the Lease Commencement to the expiration of the

Term, except the first three (3) months, as detailed below. Tenant shall pay all Additional Rent (as defined below) from the Commencement Date to the expiration of the Term.

Tenant's indemnity under this provision shall survive a termination of the Option. Notwithstanding anything to the contrary contained herein, Tenant shall have no right to occupy the Premises unless and until a mutually acceptable Lease is executed by the parties and any such occupancy shall be subject to the terms of said Lease. The parties hereby

acknowledge that this license agreement shall remain in effect during the Option Period.

Landlord, which consent may not be unreasonably withheld, delayed or

conditioned.

12 month written notice by Tenant at the greater of (a) the prior year's base rent

plus three percent (3%) or (b) fair market value (FMV).

LIMITATION OF REMEDIES:

Notwithstanding any provision of this LOI or subsequent Lease, Landlord hereby agrees that Landlord's rights and remedies following a default, breach, surrender, or any other failure to perform under this LOI, or subsequent Lease, shall not include the seizure of any cannabis assets or inventory, i.e. any product containing any amount of cannabis. Landlord shall not be entitled to a repayment or remedy that provides Landlord inventory that contains any amount of cannabis, in any form, whether flower or infused product. Landlord hereby forfeits any such remedy. Landlord agrees that any cannabis business license of Tenant is not an asset that may be seized by Landlord or available as a remedy for a default, breach, or other failure to perform under this LOI or subsequent Lease.

SECURITY DEPOSIT:

Upon execution of the Lease, Tenant shall pay to Landlord six months' base rent to be held by Landlord as a security deposit (which amount need not be held in a segregated account by Landlord). Provided that Tenant is not in default of any provision of the Lease and has made all required payments under the Lease to date, Tenant may credit one month of the security deposit as payment of the twelfth (12th), twenty-fourth (24th) and thirty-sixth (36th) months' base rent. The remaining three months of the security deposit shall be retained by Landlord for the remaining term of the Lease.

**BROKERAGE:** 

Landlord and Tenant recognize that Michael Jezienicki of Boston Realty Advisors serves as Tenant's representative and that Jordan Sneider of 128 CRE serves as Landlord representative and are the sole brokers in this Lease transaction. Landlord shall be responsible for the payment of Landlord's brokerage fee and that Tenant shall be responsible for the payment of Tenant's brokerage fee. Additionally, Tenant shall pay to Landlord's representative a fee of \$17,000.00 upon the execution of this Option to Lease Agreement, which shall be non-refundable under any circumstances. Tenant and Landlord shall cross indemnify its counterpart against the claims of any other broker claiming a commission of fee by or through Tenant or Landlord. Tenant and Landlord's indemnity under this provision shall survive a termination of the Option.

**TERMS OF AGREEMENT:** 

Landlord and Tenant hereby agree that this LOI shall be binding between the parties. The Lease shall contain a contingency allowing for Tenant's early termination in the event that all necessary state and municipal approvals for an adult use Marijuana Retail Establishment at the Premises cannot be obtained. In the event that Tenant exercises this contingency, then Tenant shall reimburse Landlord for its unamortized transaction costs which shall be legal and brokerage. The terms of this LOI shall govern until the Lease is executed.

**DEFAULT:** 

In the event Tenant fails to make an Option Payment in accordance with the terms of this Agreement, Landlord shall have the right, at its option, to terminate this Agreement upon fifteen (15) days written notice to Tenant. If Tenant fails to make such Option Payment during the fifteen (15) day notice period, this Agreement shall terminate, and Landlord shall retain all Option Payments made by Tenant. Landlord shall only be required to provide such a notice on one occasion. Any default in payment after the first shall entitle Landlord to terminate the Option.

# PLAN TO POSITIVELY IMPACT AREAS OF DISPROPORTIONATE IMPACT

Nuestra's majority owner is a Cannabis Control Commission certified Economic Empowerment Applicant. The company is committed to use its position as an industry leader to build sustainable pathways into the cannabis industry for individuals and communities that have been disproportionately harmed by cannabis prohibition.

Marijuana businesses have an obligation to the health and well-being of their customers as well as the communities that have had historically high rates of arrest, conviction, and incarceration related to marijuana crimes. It is Nuestra's intention to be a contributing, positive force in areas of disproportionate impact and to assist in changing the perception of those associated with marijuana use.

#### Goals

Nuestra has established specific goals to make a positive impact on areas of disproportionate impact. Through its Plan to Positively Impact Areas of Disproportionate Impact, Nuestra will:

• Provide professional services for individuals in a geographical location designated as a disproportionately impacted area facing systemic barriers by hosting CORI sealing clinics to help with the administrative sealing of records.

# **CORI Rights Series**

Nuestra will host four (4) CORI sealing clinics annually in geographic areas of disproportionate impact with an emphasis on the cities of Quincy and Chelsea. The trainings will assist individuals in areas of disproportionate impact with retrieving copies of their CORI reports and administratively sealing the reports when eligible. Nuestra may seek to do such events in partnership with legal nonprofits or law firms. Nuestra will seek to have at least 15 participants at each seminar.

Seminars will be publicized within local newspapers, including bilingual media; distributed at local career agencies, criminal justice areas and community centers; and circulated to marijuana advocacy organizations.

## Plan Administration + Measurement

The Chief Engagement Officer will administer the Plan to Positively Impact Areas of Disproportionate Impact (the "Plan"), relying on Nuestra's legal representation to assist as required for more complex cases.

Upon provisional renewal Nuestra will compile its reports tracking both the qualitative and quantitative measures that demonstrate the progress or success of the plan. Metrics will have an identified data source. Metrics that will be utilized include:

- 1. The number of events held annually (must be at least four);
- 2. Locations of CORI sealing clinics;
- 3. Number of participants that attended the clinics (must be at least 15 per seminar);
- 4. Number of participants from the selected areas of disproportionate impact that attended the training events; and
- 5. Assessments from program attendees as to how helpful the trainings were.

Nuestra's executive management team will measure the impact of its programming on an annual basis upon Provisional License renewal.

#### Disclosures

Nuestra will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

Any actions taken, or programs instituted, by Nuestra will not violate the Commission's regulations with respect to limitations on ownership or control or other applicable state laws.

During anytime while the Company holds a local or state license pursuant to the Cannabis Code, in the event a Member or a member of an entity that is a Member of Company is no longer qualified pursuant to the Cannabis Code to hold an ownership or economic interest in the Company, then all interests of that Member in the Company (the "Affected Member") will automatically and immediately terminate, and the Affected Member will cease to be a Member, provided, however, that if the Affected Member is a corporate entity and the Affected Member's disqualification from holding an ownership or economic interest in a Marijuana Establishment is due to a member, shareholder, or officer of the Affected Member, the Affected member shall have an option to redeem its share and shall be restored to its ownership position before the divestiture if the Affected Member provides evidence satisfactory to the Manager that the member, shareholder, or officer that cause such disqualification or condition has been removed. Notwithstanding the foregoing, the automatic divestiture provided by this Section may be waived by a majority vote of the Members, without regard to the Affected Member.

The Company shall be liable for the terminated ownership interest of the Affected Member as follows: (i) The Company and the Affected Member shall determine the fair market value of the Affected Member's Units by a mutually-agreed upon third party appraisal; (ii) if the Affected Member and the Company cannot agree on a third party appraisal, they shall both individually choose and pay for their own appraisal and the differences, if any, between the two valuations of the Affected Member's Units shall be averaged and used for calculating the Payoff Note (as defined herein); (iii) once the value of the Affected Member's Units is determined, the Company shall deliver a note (the "Payoff Note") to the Affected Member for one hundred percent (100%) of the value determined by the appraisal or the average of the appraisals. The Payoff Note shall be payable over a five (5) year period and shall bear interest at a rate equal to the prime rate of interest as announced from time to time by the Wall Street Journal or shall be discounted (using the same rate) to present value if an earlier payoff is required under the Cannabis Code. **Section 4.13 Class A Member Restrictions.** Each Member that holds Class A Units and is an entity agrees that it shall not permit its ownership structure or make-up to exist in such a manner, or otherwise take any action, that would disqualify the Company from maintaining its status as an Economic Empowerment Priority Applicant. In the event that a holder of Class A Units violates this Section 4.13, then, at the election of Members holding a majority of the Class B Units, such Member shall be an Affected Member pursuant to Section 4.11.

The Members and the Company expressly authorize and consent to the involvement of any Member in any Other Business; provided, that any transactions between the Company and any Other Business will be on terms no less favorable to the Company than would be obtainable in a comparable arm's-length transaction. The Members and the Company each expressly waive, to the fullest extent permitted by applicable law, any rights to assert any claim that such involvement breaches any fiduciary or other duty or obligation owed to the Company or any Member or to assert that such involvement constitutes a conflict of interest by the Member participating in the Other Business with respect to the Company or any other Member.

(b) No Member nor any owner or interest holder of such Member may, without the unanimous consent of the Board, participate in any Other Business that sells, transports, or delivers cannabis directly to consumers in the Commonwealth of Massachusetts, provided, however that such consent shall not be required if the applicable interest in such Other Business amounts to less than a ten percent (10%) equity or voting interest in such Other Business, and the applicable Member or interest holder of such Member is not a Person or Entity with Direct or Indirect Control of such Other Business, as defined in the Cannabis Code.

the consent of the Board and in connection with an issuance of Units made in compliance with Article IX.

- (b) No Member shall be required to lend any funds to the Company and no Member shall have any personal liability for the payment or repayment of any Capital Contribution by or to any other Member. If one or more Members lend funds to the Company in order to fund operating expenses or working capital needs of the Company, the interest rate on such borrowing shall not exceed an amount equal to the Company Interest Rate, and such loan shall be on such other terms as determined by the Board and the lending Member.
- (c) In the event that the Company does not have sufficient cash flow to pay its operating expenses or otherwise requires additional capital for working capital needs, and the Company is unable or unwilling to borrow such funds from any source (including Members) on terms satisfactory to the Member (if applicable) and the Board in accordance with this Agreement, and the Members are unable or unwilling to contribute such capital on a pro rata basis, then any Member shall be entitled to make additional Capital Contributions to the Company (the "Additional Capital") for such working capital needs. Upon the contribution of any such Additional Capital, the following shall apply: (i) the Company shall pay a Preferred Return on such Additional Capital in accordance with Section 7.02 and other provisions of this Agreement, and (ii) the Member contributing any such Additional Capital shall receive a priority return on Distributions with respect to its Unrecoverd Additional Capital in accordance with Section 7.02 and other provisions of this Agreement.

- (iii) the amount of any liabilities of such Member assumed by the Company or which are secured by any property contributed by such Member to the Company.
- (c) The rules of Treasury Regulations Section 1.704-1(b)(2)(iv)(d) (with respect to the maintenance of capital accounts in connection with the exercise of a noncompensatory option) shall be incorporated by reference and shall be given effect in the maintenance of the Capital Accounts.
- **Section 5.04** Succession Upon Transfer. In the event that any Units are Transferred in accordance with and only as permissible under the terms of this Agreement, the Transferee shall succeed to the Capital Account of the Transferror to the extent it relates to the Transferred Units and, subject to Section 6.04, shall receive allocations and Distributions pursuant to Article VII, Article VII and Article VIII in respect of such Units.
- **Section 5.05** Negative Capital Accounts. In the event that any Member shall have a deficit balance in his, her or its Capital Account, such Member shall have no obligation, during the term of the Company or upon dissolution or liquidation thereof, to restore such negative balance or make any Capital Contributions to the Company by reason thereof, except as may be required by Applicable Law or in respect of any negative balance resulting from a withdrawal of capital or dissolution in contravention of this Agreement.
- **Section 5.06** No Withdrawal. No Member shall be entitled to withdraw any part of his, her or its Capital Account or to receive any Distribution from the Company, except as provided in this Agreement. No Member shall receive any interest, salary or drawing with respect to its Capital Contributions or its Capital Account, except as otherwise provided in this Agreement. The Capital Accounts are maintained for the sole purpose of allocating items of income, gain, loss and deduction among the Members and shall have no effect on the amount of any Distributions to any Members, in liquidation or otherwise.
- **Section 5.07 Treatment of Loans from Members**. Loans by any Member to the Company shall not be considered Capital Contributions and shall not affect the maintenance of such Member's Capital Account, other than to the extent provided in <u>Section 5.03(a)(iii)</u>, if applicable.
- **Section 5.08 Intent and Modifications**. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b) of the Treasury Regulations and shall be interpreted and applied in a manner consistent with such Treasury Regulations. If the Board determines that it is prudent to modify the manner in which the Capital Accounts, or any increases or decreases to the Capital Accounts, are computed in order to comply with such Treasury Regulations, the Board may authorize such modifications.

## ARTICLE VI ALLOCATIONS

Section 6.01 Allocation of Net Income and Net Loss. For each Fiscal Year (or portion thereof), except as otherwise provided in this Agreement, Net Income and Net Loss (and, to the extent necessary, individual and/or gross items of income, gain, loss or deduction) of the Company shall be allocated among the Members in a manner such that, after adjusing each Member's Capital Account for all Capital Contributions and Distributions made during such Fiscal Year (or portion thereof) and after giving effect to the special allocations set forth in Section 6.02, the Capital Account balance of each Member (which may be either a positive or negative balance), immediately after making such adjustments and allocations, is, as nearly as possible, equal to (a) the Distributions that would be made to such Member pursuant to Section 12.03(c)(iii) if the Company were dissolved, its affairs wound up and its assets sold for cash equal to their Book Value, all Company liabilities were satisfied (limited with respect to each Nonrecourse Liability to the Book Value of the assets securing such liability), and the net assets of the Company were Distributed, in accordance with Section 12.03(c)(iii), to the Members immediately after making such allocations, minus (b) such Member's share of Company Minimum Gain and Member Nonrecourse Debt Minimum Gain, computed immediately prior to the hypothetical sale of assets.

# **Section 6.02 Regulatory and Special Allocations**. Notwithstanding the provisions of Section 6.01:

- (a) If there is a net decrease in Company Minimum Gain (determined according to Treasury Regulations Section 1.704-2(d)(1)) during any Fiscal Year, each Member shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 6.02(a) is intended to comply with the "minimum gain chargeback" requirement in Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.
- (b) Member Nonrecourse Deductions shall be allocated in the manner required by Treasury Regulations Section 1.704-2(i). Except as otherwise provided in Treasury Regulations Section 1.704-2(i)(4), if there is a net decrease in Member Nonrecourse Debt Minimum Gain during any Fiscal Year, each Member that has a share of such Member Minimum Gain shall be specially allocated Net Income for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to that Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain. Items to be allocated pursuant to this paragraph shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2). This Section 6.02(b) is intended to comply with the "minimum gain chargeback" requirements in Treasury Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.
- (c) In the event any Member unexpectedly receives any adjustments, allocations or Distributions described in Treasury Regulations Section 1.704-

- 1(b)(2)(ii)(d)(4), (5) or (6), Net Income shall be specially allocated to such Member in an amount and manner sufficient to eliminate the Adjusted Capital Account Deficit created by such adjustments, allocations or Distributions as quickly as possible. This Section 6.02(c) is intended to comply with the qualified income offset requirement in Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.
- (d) The allocations set forth in paragraphs (a) (b) and (c) above (the "Regulatory Allocations") are intended to comply with certain requirements of the Treasury Regulations under Code Section 704. Notwithstanding any other provisions of this Article VI (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating Net Income and Net Losses among Members so that, to the extent possible, the net amount of such allocations of Net Income and Net Losses and other items and the Regulatory Allocations to each Member shall be equal to the net amount that would have been allocated to such Member if the Regulatory Allocations had not occurred.
- (e) The Company and the Members acknowledge that allocations like those described in Proposed Treasury Regulation Section 1.704-1(b)(4)(xii)(c) ("Forfeiture Allocations") result from the allocations of Net Income and Net Loss provided for in this Agreement. For the avoidance of doubt, the Company is entitled to make Forfeiture Allocations and, once required by applicable final or temporary guidance, allocations of Net Income and Net Loss will be made in accordance with Proposed Treasury Regulation Section 1.704-1(b)(4)(xii)(c) or any successor provision or guidance.

#### Section 6.03 Tax Allocations.

- (a) Subject to Section 6.03(b) through Section 6.03(e), all income, gains, losses and deductions of the Company shall be allocated, for federal, state and local income tax purposes, among the Members in accordance with the allocation of such income, gains, losses and deductions among the Members for computing their Capital Accounts, except that if any such allocation for tax purposes is not permitted by the Code or other Applicable Law, the Company's subsequent income, gains, losses and deductions shall be allocated among the Members for tax purposes, to the extent permitted by the Code and other Applicable Law, so as to reflect as nearly as possible the allocation set forth herein in computing their Capital Accounts.
- (b) Items of Company taxable income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall be allocated among the Members in accordance with Code Section 704(c) and such permissible method(s) under Treasury Regulations Section 1.704-3 as determined by the Tax Representative so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Book Value.
- (c) If the Book Value of any Company asset is adjusted pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(f) as provided in clause (c) of the definition of Book Value, subsequent allocations of items of taxable income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such

asset for federal income tax purposes and its Book Value in the same manner as under Code Section 704(c).

- (d) Allocations of tax credit, tax credit recapture and any items related thereto shall be allocated to the Members according to their interests in such items as determined by the Tax Representative taking into account the principles of Treasury Regulations Section 1.704-1(b)(4)(ii).
- (e) The Company shall make allocations pursuant to this <u>Section 6.03</u> in accordance with such permissible methods as set forth and in accordance with Treasury Regulations Section 1.704-3 and this Agreement.
- (f) Allocations pursuant to this <u>Section 6.03</u> are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Income, Net Losses, Distributions or other items pursuant to any provisions of this Agreement.
- **Section 6.04** Allocations in Respect of Transferred Units. In the event of a Transfer of Units during any Fiscal Year made in compliance with the provisions of <u>Article IX</u> Net Income, Net Losses and other items of income, gain, loss and deduction of the Company attributable to such Units for such Fiscal Year shall be determined using the interim closing of the books method, provided, however, that the Board may, in its sole discretion, elect to make such allocations on a pro rata basis.
- **Section 6.05** Curative Allocations. In the event that the Tax Representative determines, after consultation with counsel experienced in income tax matters, that the allocation of any item of Company income, gain, loss or deduction is not specified in this Article VI (an "Unallocated Item"), or that the allocation of any item of Company income, gain, loss or deduction hereunder is clearly inconsistent with the Members' economic interests in the Company (determined by reference to the general principles of Treasury Regulations Section 1.704-1(b) and the factors set forth in Treasury Regulations Section 1.704-1(b)(3)(ii)) (a "Misallocated Item"), then the Board may allocate such Unallocated Items, or reallocate such Misallocated Items, to reflect such economic interests; provided, that no such allocation will be made without the prior consent of each Member that would be adversely and disproportionately affected thereby; and provided, further, that no such allocation shall have any material effect on the amounts distributable to any Member, including the amounts to be distributed upon the complete liquidation of the Company.

# ARTICLE VII DISTRIBUTIONS

### Section 7.01 General.

(a) Subject to <u>Section 7.01(b)</u>, <u>Section 7.02</u> and <u>Section 7.03</u>, the Board shall have sole discretion regarding the amounts and timing of Distributions to Members, including to decide to forego payment of Distributions in order to provide for the retention and establishment of reserves of, or payment to third parties of, such funds as it deems

necessary with respect to the reasonable business needs of the Company (which needs may include the payment or the making of provision for the payment when due of the Company's obligations, including, but not limited to, present and anticipated debts and obligations to third parties and Members (as applicable), capital needs and expenses, the payment of any management or administrative fees and expenses, and reasonable reserves for contingencies).

After making all Distributions required for a given Fiscal Year under <u>Section 7.03</u>, and except as otherwise provided in <u>Section 7.02(b)</u> or <u>Section 12.03(c)</u>, all Distributions determined to be made by the Board pursuant to <u>Section 7.01</u> shall be made to the Members in the following order and priority:
  - (i) First, to the Members who have contributed Additional Capital, if any, pro rata in proportion to their Unpaid Preferred Return, until each such Member has received aggregate Distributions under this section sufficient to cause each such Member's Unpaid Preferred Return to equal zero; and
  - (ii) Then, to the Members who have contributed Additional Capital, if any, pro rata in proportion to their Unreturned Additional Capital, until each such Member has received aggregate Distributions under this section sufficient to cause each such Member's Unreturned Additional Capital to equal zero; and
  - (iii) Thereafter, pro rata in proportion to each Member's aggregate holdings of Units.
- (b) <u>Distributions from Deemed Liquidation Events</u>. Except as otherwise provided in <u>Section 7.06</u>, upon the occurrence of a Deemed Liquidation Event, the Deemed Liquidation Event Proceeds therefrom shall be Distributed to the Members, as soon as reasonably practical following receipt by the Company of such Deemed Liquidation Event Proceeds, in the following order and priority:
  - (i) First, to the Members who have contributed Additional Capital, if any, pro rata in proportion to their Unpaid Preferred Return, until each such Member has received aggregate Distributions under this section sufficient to cause each such Member's Unpaid Preferred Return to equal zero; and
  - (ii) Then, to the Members who have contributed Additional Capital, if any, pro rata in proportion to their Unreturned Additional Capital, until each such Member has received aggregate Distributions under this section sufficient to cause each such Member's Unreturned Additional Capital to equal zero; and

- (iii) Then, to the Members, pro rata in proportion to their Unreturned Capital, until the Members have received aggregate Distributions under this section sufficient to cause each such Member's Unreturned Capital to equal zero; and
- (iv) Thereafter, pro rata in proportion to each Member's aggregate holdings of Units.

#### Section 7.03 Tax Distributions.

- (a) Subject to any restrictions in any of the Company's and/or any Company Subsidiary's then applicable debt-financing arrangements, and subject to the Board's sole discretion to retain any other amounts necessary to satisfy the Company's and/or the Company Subsidiaries' obligations, at least seven (7) days before each date prescribed by the Code for a calendar-year corporation to pay quarterly installments of estimated tax, the Company shall Distribute cash to each Member in proportion to and to the extent of such Member's Quarterly Estimated Tax Amount for the applicable calendar quarter (each such Distribution, a "Tax Advance").
- (b) If, at any time after the final Quarterly Estimated Tax Amount has been Distributed pursuant to Section 7.03(a) with respect to any Fiscal Year, the aggregate Tax Advances to any Member with respect to such Fiscal Year are less than such Member's Tax Amount for such Fiscal Year (a "Shortfall Amount"), the Company shall Distribute cash in proportion to and to the extent of each Member's Shortfall Amount. The Company shall use commercially reasonable efforts to Distribute Shortfall Amounts with respect to a Fiscal Year before the 60th day of the next succeeding Fiscal Year; provided, that if the Company has made Distributions other than pursuant to this Section 7.03, the Board may apply such Distributions to reduce any Shortfall Amount.
- (c) If the aggregate Tax Advances made to any Member pursuant to this <u>Section 7.03</u> for any Fiscal Year exceed such Member's Tax Amount (an "<u>Excess Amount</u>"), such Excess Amount shall reduce subsequent Tax Advances that would be made to such Member pursuant to this <u>Section 7.03</u>, except to the extent taken into account as an advance pursuant to <u>Section 7.03(d)</u>.
- (d) For avoidance of doubt, any Distributions made pursuant to this <u>Section 7.03</u> shall be treated as advances on Distributions payable to the applicable Member pursuant to <u>Section 7.02</u> and shall reduce the amount otherwise Distributable to such Member pursuant to <u>Section 7.02</u> or <u>Section 12.03(c)</u>. Further, the amount to be Distributed as a tax Distribution in respect of any Fiscal Year pursuant to this <u>Section 7.03</u> shall be computed as if any Distributions made pursuant to <u>Section 7.02</u> during such Fiscal Year were a tax Distribution in respect of such Fiscal Year, with the understanding that the Company shall not make a tax Distribution in respect of any Fiscal Year to the extent any Distributions made pursuant to <u>Section 7.02</u> during such Fiscal Year exceeds the Tax Amount of the Member in respect of such Fiscal Year.

(e) Any good faith determination of the amount of a tax Distribution made by the Board pursuant to this <u>Section 7.03</u> shall be conclusive and binding on all Members absent manifest error.

## Section 7.04 Tax Withholding; Withholding Advances.

- (a) <u>Tax Withholding</u>. If requested by the Board, each Member shall, if able to do so, deliver to the Board:
  - (i) any applicable IRS forms or an affidavit in form satisfactory to the Board that the applicable Member (or its members, as the case may be) is not subject to withholding under the provisions of any federal, state, local, foreign or other Applicable Law;
  - (ii) any certificate that the Board may reasonably request with respect to any such laws; and/or
  - (iii) any other form or instrument reasonably requested by the Board relating to any Member's status under such law.
  - (iv) If a Member fails or is unable to deliver to the Board the IRS form or affidavit described in <u>Section 7.04(a)(i)</u>, the Board may withhold amounts from such Member in accordance with <u>Section 7.04(b)</u>.
- (b) <u>Withholding Advances</u>. The Company is hereby authorized at all times to make payments ("<u>Withholding Advances</u>") with respect to each Member in amounts required to discharge any obligation of the Company (as determined by the Tax Representative based on the advice of legal or tax counsel to the Company) to withhold or make payments to any federal, state, local or foreign taxing authority (a "<u>Taxing Authority</u>") with respect to any Distribution or allocation by the Company of income or gain to such Member and to withhold the same from Distributions to such Member. Any funds withheld from a Distribution by reason of this <u>Section 7.04(b)</u> shall nonetheless be deemed Distributed to the Member in question for all purposes under this Agreement and, at the option of the Board, shall be charged against the Member's Capital Account in accordance with this Agreement.
- (c) <u>Repayment of Withholding Advances</u>. Any Withholding Advance made by the Company to a Taxing Authority on behalf of a Member and not simultaneously withheld from a Distribution to that Member shall, with interest thereon accruing from the date of payment at a rate equal to the prime rate published in the Wall Street Journal on the date of payment:
  - (i) be promptly repaid to the Company by the Member on whose behalf the Withholding Advance was made (which repayment by the Member shall not constitute a Capital Contribution, but shall credit the Member's Capital Account if

the Board shall have initially charged the amount of the Withholding Advance to the Capital Account); or

(ii) with the consent of the Board, be repaid by reducing the amount of the next succeeding Distribution or Distributions to be made to such Member (which reduction amount shall be deemed to have been Distributed to the Member, but which shall not further reduce the Member's Capital Account if the Board shall have initially charged the amount of the Withholding Advance to the Capital Account).

Interest shall cease to accrue from the time the Member on whose behalf the Withholding Advance was made repays such Withholding Advance (and all accrued interest) by either method of repayment described above.

- (d) <u>Indemnification</u>. Each Member hereby agrees to indemnify and hold harmless the Company and the other Members from and against any liability with respect to taxes, interest or penalties which may be asserted by reason of the Company's failure to deduct and withhold tax on amounts Distributable or allocable to such Member. The provisions of this <u>Section 7.04(d)</u> and the obligations of a Member pursuant to <u>Section 7.04(c)</u> shall survive the termination, dissolution, liquidation and winding up of the Company and the withdrawal of such Member from the Company or Transfer of its Units. The Company may pursue and enforce all rights and remedies it may have against each Member under this <u>Section 7.04</u>, including bringing a lawsuit to collect repayment with interest of any Withholding Advances.
- (e) <u>Overwithholding</u>. Neither the Company nor the Board shall be liable for any excess taxes withheld in respect of any Distribution or allocation of income or gain to a Member. In the event of an overwithholding, a Member's sole recourse shall be to apply for a refund from the appropriate Taxing Authority.

#### Section 7.05 Distributions in Kind.

- (a) The Board is hereby authorized, in its sole discretion, to make Distributions to the Members in the form of securities or other property held by the Company; provided, that Tax Advances shall only be made in cash. In any non-cash Distribution, the securities or property so Distributed will be Distributed among the Members in the same proportion and priority as cash equal to the Fair Market Value of such securities or property would be Distributed among the Members pursuant to Section 7.02.
- (b) Any Distribution of securities shall be subject to such conditions and restrictions as the Board determines are required or advisable to ensure compliance with Applicable Law. In furtherance of the foregoing, the Board may require that the Members execute and deliver such documents as the Board may deem necessary or appropriate to ensure compliance with all federal and state securities laws that apply to such Distribution and any further Transfer of the Distributed securities, and may appropriately legend the

certificates that represent such securities to reflect any restriction on Transfer with respect to such laws.

(c) Upon any such Distribution, such Fair Market Value of the non-cash assets Distributed will be debited against the each applicable Member's respective Capital Account at such Fair Market Value, and any such Distributions shall be deemed for purposes of determining Net Profits or Net Losses (if any) to have been sold by the Company for an amount equal to such Fair Market Value and any such deemed Net Profits or Net Losses shall be allocated to the Members' respective Capital Accounts in accordance with this Agreement.

Section 7.06 Distributions Upon Deemed Liquidation Event Resulting in Dissolution. In the event of a Deemed Liquidation Event that results in a dissolution of the Company, the Board shall distribute the proceeds of such Deemed Liquidation Event in the manner provided in Section 12.03(c).

The Members may not transfer their Units without the consent of a Super Majority of the Board, and no Transfer may occur unless in compliance with Section 4.01(c). The ROFR Notice shall constitute an irrevocable offer to sell to the Members holding Class B Units all of the Class A Units proposed to be sold in the transaction at a price equal to eighty-five percent (85%) of the price provided in the ROFR Notice (the "ROFR Price"). Each Member holding Class B Units may at their sole discretion, within thirty (30) days of receipt of the ROFR notice (the "ROFR Period"), elect to purchase some or all of such Class B Units at the ROFR Price by providing written notice to the Transferring Class A Member (the "ROFR Election"). In the event that multiple Members holding Class B Units make a ROFR Election electing to purchase, in the aggregate, more Class A Units than are offered in the ROFR Notice, then the Members making a ROFR Election shall be entitled to purchase such Class A Units pro rata based on the ratio of the respective holdings of Class B Units of such electing Members. In the event that no Class B Members have provided ROFR Elections to the Transferring Class A Member during the ROFR Period, then the Transferring Class A Member may sell Class A Units on the terms described in the ROFR Notice, provided, however, that if such transaction does not close within ninety (90) days of the end of the ROFR Period, then the Transferring Class A Member may not transfer Class A Units without first complying with this Section 9.02.

- (e) Required Disclosure. Other than with respect to disclosures to a Cannabis Regulatory Body in connection with the pursuit of the Company's business, if the Receiving Party becomes legally required to disclose any Confidential Information, the Receiving Party will, to the extent permitted by Applicable Law, give the Disclosing Party prompt notice of such fact so that the Disclosing Party may obtain a protective order or other appropriate remedy concerning any such disclosure and/or waive compliance with the non-disclosure provisions of this Agreement. The Receiving Party will fully cooperate with the Disclosing Party in connection with the Disclosing Party's efforts to obtain any such order or other remedy. If any such order or other remedy does not fully preclude disclosure or the Disclosing Party waives such compliance, the Receiving Party will make such disclosure only to the extent that such disclosure is legally required and will use its best efforts to have confidential treatment accorded to the disclosed Confidential Information.
- (f) Return of Confidential Information. The Receiving Party shall, immediately upon the earlier of (i) the Disclosing Party or Receiving Party no longer being a Member of the Company and (ii) the dissolution of the Company, discontinue use of the Confidential Information of the Disclosing Party and return within 10 days of receipt of notice from the Disclosing Party requesting the return of the Disclosing Party's Confidential Information all tangible forms of such Confidential Information, and all copies thereof, which may be or have been in the Receiving Party's possession. Each of the Parties therefore consents to an order specifically enforcing the provisions of this Agreement, or an order of injunction being issued against it restraining it from any further breach of such provisions and agrees that such injunction may be issued against it without the necessity of an undertaking as to damages by the other Party. The provisions of this section shall not derogate from any other remedy which a Party may have in the event of such a breach.
- (i) <u>Indemnification</u>. The Receiving Party shall indemnify the Disclosing Party the officers, members, employees, agents, successors and assigns of the Disclosing Party for any and all damages incurred as a result of any breach hereof by the receiving party and/or any employee or agent of the Receiving Party.

For purposes of this Section 11.01, unless otherwise specified, all references to provisions of chapter 63 of the Code shall be to such provisions as enacted by the Partnership Tax Audit Rules.
- (b) The Person serving as the Tax Representative (or Designated Individual, as applicable) shall be automatically removed as Tax Representative upon the death, dissolution and/or winding up, legal incompetency or Bankruptcy of such Person, and the Person serving as the Tax Representative may be removed at any time by the Board. Upon such removal of the Tax Representative (or Designated Individual, as applicable) a successor to serve in such position shall be designated by the Board, and the removed Tax Representative (or Designated Individual, as applicable) shall not take any action for or on behalf of the Company without the prior written consent of the Board.

- (c) The Company shall indemnify and hold harmless the Tax Representative (and Designated Individual, as applicable) in accordance with <u>Article XIII</u> as a result of any act or decision concerning Company tax matters and within the scope of such Person's responsibility as Tax Representative. All amounts indemnified may be advanced as incurred in accordance with <u>Article XIII</u>. The Tax Representative (and Designated Individual, as applicable) shall be entitled to rely on the advice of outside legal counsel and accountants as to the nature and scope of such Person's responsibilities and authority, and any act or omission of the Tax Representative pursuant to such advice in no event shall subject the Tax Representative to liability to the Company or any Member.
- (d) If the Company qualifies to elect pursuant to Code section 6221(b) (or successor provision) to have federal income tax audits and other proceedings undertaken by each Member rather than by the Company, the Company shall make such election.
- (e) Notwithstanding other provisions of this Agreement to the contrary, but subject to Section 11.01(f), if any "partnership adjustment" (as defined in Code section 6241(2)) is determined with respect to the Company, the Tax Representative, upon the determination of the Board in its sole discretion, will cause the Company to elect pursuant to Code section 6226 (the "push-out" election) to have any such adjustment passed through to the Members and former Members for the year to which the adjustment relates (i.e., the "reviewed year" within the meaning of Code section 6225(d)(1)). In the event that the Tax Representative has not caused the Company to so elect pursuant to Code section 6226, then any "imputed underpayment" (as determined in accordance with Code section 6225) or "partnership adjustment" that does not give rise to an "imputed underpayment" shall be apportioned among the Members and former Members of the Company in such manner as may be necessary (as determined by the Board in good faith) so that, to the maximum extent possible, the tax and economic consequences of the partnership adjustment and any associated interest and penalties are borne by the Members and former Members based upon their interests in the Company for the reviewed year.
- (f) Each Member and former Member agrees that, upon request of the Tax Representative, such Member shall: (i) provide any information and take such action as may be reasonably required by the Tax Representative in order to determine whether any "imputed underpayment" within the meaning of Code Section 6225 may be modified pursuant to Code Section 6225(c); (ii) file amended tax returns or effectuate the alternative "pull-in" procedure as provided in Code section 6225(c)(2) with respect to any "reviewed year" (within the meaning of Code section 6225(d)(1)) to reduce the amount of any "partnership adjustment" otherwise required to be taken into account by the Company; or (iii) in the event the Members do not fully or timely comply (in the Tax Representatives sole discretion) with the procedures of such Code section 6225(c)(2), take such actions as may be necessary or desirable (if any) to allow the Company to comply with the provisions of Code section 6226 (concerning the "push-out" election) so that any "partnership adjustments" are taken into account by the Members rather than the Company.
- (g) If the Company is obligated to pay any amount of tax, penalty, interest, or other charges determined under the Code (a "Company Level Tax"), each Member or

former Member to which the assessment or payment relates (an "Indemnifying Member") shall indemnify the Company for, and pay to the Company, the Indemnifying Member's allocable share of the Company Level Tax. Each Indemnifying Member's allocable share of the Company Level Tax shall be determined in good faith by the Board. Promptly upon notification by the Board of the Indemnifying Member's obligation to indemnify the Company, an Indemnifying Member shall make a payment to the Company of immediately available funds, at the time and in the amount and manner directed by the Board. Amounts paid to the Company under this Section 11.01(g) by an Indemnifying Member who is not a Member of the Company at the time such payment is made shall not be treated as a Capital Contribution.

- (h) Each Member and former Member agrees that such Member shall not treat any Company item inconsistently on such Member's federal, state, foreign, or other income tax return with the treatment of the item on the Company's return. Any deficiency for taxes imposed on any Member or former Member (including penalties, additions to tax or interest imposed with respect to such taxes, and any taxes imposed pursuant to Code section 6226, as amended) shall be paid by such Member, and if paid by the Company will be recoverable from such Member.
- (i) The obligations of each Member or former Member under this <u>Section 11.01</u> shall survive any actual or attempted Transfer, withdrawal or abandonment by such Member of its Transferable Interest and the termination of this Agreement or the dissolution of the Company.

#### Section 11.02 Tax Returns; Tax Elections.

- (a) At the expense of the Company, the Board (or any Officer that it may designate pursuant to Section 8.08) shall endeavor to cause the preparation and timely filing (including extensions) of all tax returns required to be filed by the Company pursuant to the Code as well as all other required tax returns in each jurisdiction in which the Company and the Company Subsidiaries own property or do business. As soon as reasonably possible after the end of each Fiscal Year, the Board or designated Officer will cause to be delivered to each Person who was a Member at any time during such Fiscal Year, IRS Schedule K-1 to Form 1065 and such other information with respect to the Company as may be necessary for the preparation of such Person's federal, state and local income tax returns for such Fiscal Year.
- (b) The Tax Representative, with the consent of the Board, shall make any and all elections for federal, state, local, or foreign tax purposes including without limitation any election, if permitted by applicable law: (i) to adjust the basis of property pursuant to Code sections 734(b), 743(b) and 754, or comparable provisions of state, local or foreign law, in connection with Transfers of Units and Company distributions; (ii) to extend the statute of limitations for assessment of tax deficiencies against the Members with respect to adjustments to the Company's federal, state, local or foreign tax returns; and (iii) to make all decisions on behalf of the Company and the Members and to direct the activities of the Tax Representative before taxing authorities or courts of competent jurisdiction in

tax matters affecting the Company or the Members in their capacities as Members, and to direct the filing of any tax returns and to cause the execution of any agreements or other documents relating to or affecting such tax matters, including agreements or other documents that bind the Members with respect to such tax matters or otherwise affect the rights of the Company and the Members.

Section 11.03 Company Funds. All funds of the Company shall be deposited in its name, or in such name as may be designated by the Board, in such checking, savings or other accounts, or held in its name in the form of such other investments as shall be designated by the Board. The funds of the Company shall not be commingled with the funds of any other Person. All withdrawals of such deposits or liquidations of such investments by the Company shall be made exclusively upon the signature or signatures of such Officer or Officers as the Board may designate.

# ARTICLE XII DISSOLUTION AND LIQUIDATION

**Section 12.01 Events of Dissolution**. The Company shall be dissolved and is affairs wound up only upon the occurrence of any of the following events:

- (a) The determination of the Board to dissolve the Company pursuant to Section 8.05(d);
- (b) The sale, exchange, involuntary conversion, or other disposition or Transfer of all or substantially all the assets of the Company subject to consent of the Board pursuant to Section 8.05(d) or otherwise the occurrence of a Deemed Liquidation Event with the Board's determination to thereafter dissolve pursuant to Section 8.05(d); or
  - (c) The entry of a decree of judicial dissolution.

**Section 12.02 Effectiveness of Dissolution**. Dissolution of the Company shall be effective on the day on which the event described in <u>Section 12.01</u> occurs, but the Company shall not terminate until the winding up of the Company has been completed, the assets of the Company have been distributed as provided in <u>Section 12.03</u> and the Certificate of Organization shall have been cancelled as provided in Section 12.04.

**Section 12.03 Liquidation**. If the Company is dissolved pursuant to <u>Section 12.01</u>, the Company shall be liquidated and its business and affairs wound up in accordance with the following provisions:

(a) <u>Liquidator</u>. The Board, or, if the Board is unable to do so, a Person selected by the holders of a majority of the Class B Units, shall act as liquidator to wind up the Company (the "<u>Liquidator</u>"). The Liquidator shall have full power and authority to sell, assign, and encumber any or all of the Company's assets and to wind up and liquidate the affairs of the Company in an orderly and business-like manner.

- (b) <u>Accounting</u>. As promptly as possible after dissolution and again after final liquidation, the Liquidator shall cause a proper accounting to be made by a recognized firm of certified public accountants of the Company's assets, liabilities and operations through the last day of the calendar month in which the dissolution occurs or the final liquidation is completed, as applicable.
- (c) <u>Distribution of Proceeds</u>. The Liquidator shall liquidate the assets of the Company and Distribute the proceeds of such liquidation in the following order of priority, unless otherwise required by mandatory provisions of Applicable Law:
  - (i) First, to the payment of all of the Company's debts and liabilities to its creditors (including Members, if applicable) and the expenses of liquidation (including sales commissions incident to any sales of assets of the Company);
  - (ii) Second, to the establishment of and additions to reserves that are determined by the Board in its sole discretion to be reasonably necessary for any contingent unforeseen liabilities or obligations of the Company;
  - (iii) Third, to the Members in the same manner as Distributions are made under <u>Section 7.02</u> (regarding Distributions from Deemed Liquidation Events), subject to <u>Section 7.03</u> (regarding Tax Distributions).
- Discretion of Liquidator. Notwithstanding the provisions of Section 12.03(c) that require the liquidation of the assets of the Company, but subject to the order of priorities set forth in Section 12.03(c), if upon dissolution of the Company the Liquidator determines that an immediate sale of part or all of the Company's assets would be impractical or could cause undue loss to the Members, the Liquidator may defer the liquidation of any assets except those necessary to satisfy Company liabilities and reserves, and may, in its absolute discretion, Distribute to the Members, in lieu of cash, as tenants in common and in accordance with the provisions of Section 12.03(c), undivided interests in such Company assets as the Liquidator deems not suitable for liquidation. Any such Distribution in kind will be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operating of such properties at such time. For purposes of any such Distribution, the following rules shall be applied consistent with Treasury Regulation Section 1.704-1(b)(2)(iv)(e): (i) any property to be Distributed will be valued at its Fair Market Value; (ii) the difference between the Fair Market Value of any asset to be Distributed in kind and its carrying value on the books of the Company shall be deemed to be gain or loss and any such deemed gain or loss shall be allocated in accordance with Article VI; and (iii) all such allocations of gain or loss shall be credited or charged to the Members' Capital Accounts prior to making such Distributions.

**Section 12.04 Cancellation of Certificate**. Upon completion of the Distribution of the assets of the Company as provided in <u>Section 12.03(c)</u> hereof, the Company shall be terminated and the Liquidator shall cause the cancellation of the Certificate of Organization in the Commonwealth of Massachusetts and of all qualifications and registrations of the Company as a

foreign limited liability company in jurisdictions other than the Commonwealth of Massachusetts and shall take such other actions as may be necessary to terminate the Company.

Section 12.05 Survival of Rights, Duties and Obligations. Dissolution, liquidation, winding up or termination of the Company for any reason shall not release any party from any Loss which at the time of such dissolution, liquidation, winding up or termination already had accrued to any other party or which thereafter may accrue in respect of any act or omission prior to such dissolution, liquidation, winding up or termination. For the avoidance of doubt, none of the foregoing shall replace, diminish or otherwise adversely affect any Member's right to indemnification pursuant to Section 13.03.

**Section 12.06 Resource for Claims**. Each Member shall look solely to the assets of the Company for all Distributions with respect to the Company, such Member's Capital Account, and such Member's share of Net Income, Net Loss and other items of income, gain, loss and deduction, and shall have no recourse therefor (upon dissolution or otherwise) against the Board, the Liquidator or any other Member.

# ARTICLE XIII EXCULPATION AND INDEMNIFICATION

### **Section 13.01 Exculpation of Covered Persons.**

- (a) <u>Covered Persons</u>. As used herein, the term "<u>Covered Person</u>" shall mean (i) each Member, (ii) each officer, director, shareholder, partner, member, controlling Affiliate, employee, agent or representative of each Member, and each of their controlling Affiliates, and (iii) each Manager, Officer, employee, agent or representative of the Company.
- (b) <u>Standard of Care</u>. No Covered Person shall be liable to the Company or any other Covered Person for any loss, damage or claim incurred by reason of any action taken or omitted to be taken by such Covered Person in good-faith reliance on the provisions of this Agreement, so long as such action or omission does not constitute fraud or willful misconduct by such Covered Person.
- (c) Good Faith Reliance. A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements (including financial statements and information, opinions, reports or statements as to the value or amount of the assets, liabilities, Net Income or Net Losses of the Company or any facts pertinent to the existence and amount of assets from which Distributions might properly be paid) of the following Persons or groups: (i) another Manager; (ii) one or more Officers or employees of the Company; (iii) any attorney, independent accountant, appraiser or other expert or professional employed or engaged by or on behalf of the Company; or (iv) any other Person selected in good faith by or on behalf of the Company, in each case as to matters that such relying Person reasonably believes to be within such other Person's professional or expert competence.

#### Section 13.02 Liabilities and Duties of Covered Persons.

- (a) <u>Limitation of Liability</u>. This Agreement is not intended to, and does not, create or impose any fiduciary duty on any Covered Person. Furthermore, each of the Members and the Company hereby waives any and all fiduciary duties that, absent such waiver, may be implied by Applicable Law, and in doing so, acknowledges and agrees that the duties and obligation of each Covered Person to each other and to the Company are only as expressly set forth in this Agreement. The provisions of this Agreement, to the extent that they restrict the duties and liabilities of a Covered Person otherwise existing at law or in equity, are agreed by the Members to replace such other duties and liabilities of such Covered Person.
- (b) <u>Duties</u>. Whenever in this Agreement a Covered Person is permitted or required to make a decision (including a decision that is in such Covered Person's "discretion" or under a grant of similar authority or latitude), the Covered Person shall be entitled to consider only such interests and factors as such Covered Person desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Company or any other Person. Whenever in this Agreement a Covered Person is permitted or required to make a decision in such Covered Person's "good faith," the Covered Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Agreement or any other Applicable Law.

#### Section 13.03 Indemnification.

- (a) <u>Indemnification</u>. As the same now exists or may hereafter be amended, substituted or replaced the Company shall indemnify, hold harmless, defend, pay and reimburse any Covered Person against any and all losses, claims, damages, judgments, fines or liabilities, including reasonable legal fees or other expenses incurred in investigating or defending against such losses, claims, damages, judgments, fines or liabilities, and any amounts expended in settlement of any claims (collectively, "<u>Losses</u>") to which such Covered Person may become subject by reason of:
  - (i) Any act or omission or alleged act or omission performed or omitted to be performed on behalf of the Company, any Member or any direct or indirect Subsidiary of the foregoing in connection with the business of the Company; or
  - (ii) The fact that such Covered Person is or was acting in connection with the business of the Company as a partner, member, stockholder, controlling Affiliate, manager, director, officer, employee or agent of the Company, any Member, or any of their respective controlling Affiliates, or that such Covered Person is or was serving at the request of the Company as a partner, member, manager, director, officer, employee or agent of any Person including the Company or any Company Subsidiary;

provided, that (x) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful, and (y) such Covered Person's conduct did not constitute fraud or willful misconduct, in either case as determined by a final, nonappealable order of a court of competent jurisdiction. In connection with the foregoing, the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Covered Person did not act in good faith or, with respect to any criminal proceeding, had reasonable cause to believe that such Covered Person's conduct was unlawful, or that the Covered Person's conduct constituted fraud or willful misconduct.

- (b) Reimbursement. The Company shall promptly reimburse (and/or advance to the extent reasonably required) each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend or defending any claim, lawsuit or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 13.03; provided, that if it is finally judicially determined that such Covered Person is not entitled to the indemnification provided by this Section 13.03, then such Covered Person shall promptly reimburse the Company for any reimbursed or advanced expenses.
- (c) <u>Entitlement to Indemnity</u>. The indemnification provided by this <u>Section 13.03</u> shall not be deemed exclusive of any other rights to indemnification to which those seeking indemnification may be entitled under any agreement or otherwise. The provisions of this <u>Section 13.03</u> shall continue to afford protection to each Covered Person regardless of whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this <u>Section 13.03</u> and shall inure to the benefit of the executors, administrators, legatees and distributees of such Covered Person.
- (d) <u>Insurance</u>. To the extent available on commercially reasonable terms, the Company may purchase, at its expense, insurance to cover Losses covered by the foregoing indemnification provisions and to otherwise cover Losses for any breach or alleged breach by any Covered Person of such Covered Person's duties in such amount and with such deductibles as the Board may determine; provided, that the failure to obtain such insurance shall not affect the right to indemnification of any Covered Person under the indemnification provisions contained herein, including the right to be reimbursed or advanced expenses or otherwise indemnified for Losses hereunder. If any Covered Person recovers any amounts in respect of any Losses from any insurance coverage, then such Covered Person shall, to the extent that such recovery is duplicative, reimburse the Company for any amounts previously paid to such Covered Person by the Company in respect of such Losses.
- (e) <u>Funding of Indemnification Obligation</u>. Notwithstanding anything contained herein to the contrary, any indemnity by the Company relating to the matters covered in this Section 13.03 shall be provided out of and to the extent of Company assets

only, and no Member (unless such Member otherwise agrees in writing) shall have personal liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity by the Company.

- (f) <u>Savings Clause</u>. If this <u>Section 13.03</u> or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Covered Person pursuant to this <u>Section 13.03</u> to the fullest extent permitted by any applicable portion of this <u>Section 13.03</u> that shall not have been invalidated and to the fullest extent permitted by Applicable Law.
- (g) <u>Amendment</u>. The provisions of this <u>Section 13.03</u> shall be a contract between the Company, on the one hand, and each Covered Person who served in such capacity at any time while this <u>Section 13.03</u> is in effect, on the other hand, pursuant to which the Company and each such Covered Person intend to be legally bound. No amendment, modification or repeal of this <u>Section 13.03</u> that adversely affects the rights of a Covered Person to indemnification for Losses incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to indemnification for such Losses without the Covered Person's prior written consent.
- (h) <u>Survival</u>. The provisions of this <u>Article XIII</u> shall survive the dissolution, liquidation, winding up and termination of the Company.

# ARTICLE XIV MISCELLANEOUS

**Section 14.04 Headings**. The headings in this Agreement are inserted for convenience or reference only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Agreement or any provision of this Agreement.

**Section 14.05 Severability**. If any term or provision of this Agreement is held to be invalid, illegal or unenforceable under Applicable Law in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement in a mutually acceptable manner to remedy such deficiency, provided, however, that any such modification shall be made so as to maintain the original intent of the parties to the greatest extent possible.

Section 14.06 Regulatory Review. The Members and the Company acknowledge and agree that this Agreement (a) must comply with the Cannabis Code (b) may be subject to regulatory review from a Cannabis Regulatory Body and (c) is intended to ensure that the Company is qualified as an Economic Empowerment Priority Applicant. In the event that a Cannabis Regulatory Body determines, or the Members otherwise reasonably determine, that this Agreement violates the Cannabis Code or otherwise would jeopardize the Company's status as an Economic Empowerment Priority Applicant or the business licenses or permits of the Company, the parties hereto shall negotiate in good faith to modify this Agreement in a mutually acceptable manner to remedy such deficiency, provided, however, that any such modification shall be made so as to maintain the original intent of the parties to the greatest extent possible.

**Section 14.07 Entire Agreement**. This Agreement, together with the Certificate of Organization, any agreement to acquire Units, and all related Exhibits and Schedules, constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein and therein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.

**Section 14.08 Successors and Assigns**. Subject to the restrictions on Transfers set forth herein, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

**Section 14.09 No Third-party Beneficiaries**. Except as provided in <u>Article XIII</u> which shall be for the benefit of and enforceable by Covered Persons as described therein, this Agreement is for the sole benefit of the parties hereto (and their respective heirs, executors, administrators, successors and assigns) and nothing herein, express or implied, is intended to or shall confer upon any other Person, including any creditor of the Company, any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

**Section 14.10 Amendment**. No provision of this Agreement may be amended or modified except by an instrument in writing approved pursuant to <u>Section 8.05(d)</u>. Any such written amendment or modification will be binding upon the Company and each Member.

**Section 14.11 Waiver**. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. For the avoidance of doubt, nothing contained in this Section 14.11 shall diminish any of the explicit and implicit waivers described in this Agreement, including in Section 8.04(c) and Section 14.15 hereof.

**Section 14.12 Governing Law**. All issues and questions concerning the application, construction, validity, interpretation and enforcement of this Agreement shall be governed by and construed in accordance with the internal laws of the Commonwealth of Massachusetts, without giving effect to any choice or conflict of law provision or rule (whether of the Commonwealth of Massachusetts or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the Commonwealth of Massachusetts.

**Section 14.13 Dispute Resolution**. In the event of any dispute, claim or controversy arising out of or relating to this Agreement, the parties shall first attempt in good faith to resolve their dispute through in-person negotiation between authorized representatives of each of the parties with authority to settle the relevant dispute. Either party may commence this negotiation by delivering written notice to the other party pursuant to the terms outlined in this Agreement. The parties may agree to engage the services of a jointly agreed-upon mediator to facilitate this inperson meeting, in which case they agree to share equally in the costs of the mediation. If the dispute cannot be settled amicably within fourteen (14) days of delivery of written notice or the in-person meeting of authorized representatives, whichever comes later, then the dispute shall be resolved by binding arbitration as provided in Section 14.14.

Section 14.14 Binding Arbitration. Any dispute, controversy, or claim arising out of or relating to this Agreement, including any determination of the scope or applicability of this Section, shall be finally settled by arbitration administered by the American Arbitration Association ("AAA") in accordance with its Commercial Arbitration Rules then in effect, and judgment on the award rendered by the arbitral tribunal may be entered in any court having jurisdiction thereof. The Parties shall share the costs of the arbitration equally; however, each Party shall be responsible for its own attorneys' fees and other costs and expenses. The arbitration will be conducted in the English language, in the city of Boston, Massachusetts by a single arbitrator jointly selected by the parties in accordance with the AAA Rules. The arbitrator shall have the power to grant legal and equitable remedies, including awarding the prevailing party its attorneys' fees and other costs of the arbitration, but they shall not grant punitive damages. To the extent federal and state law conflict as regards this contract, state law shall apply. Except as may be required by law, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties. The award shall be final and binding upon all parties as from the date rendered and shall be the sole and exclusive remedy between the parties regarding any claims, counterclaims, issues, or accounting presented to the arbitral tribunal. The Parties acknowledge that they are irrevocably waiving the right to a trial in court, including a trial by jury and that all rights and remedies will be determined by an arbitrator and not by a judge or jury.

**Section 14.15 Equitable Remedies**. Each party hereto acknowledges that a breach or threatened breach by such party of any of its obligations under this Agreement would give rise to irreparable harm to the other parties, for which monetary damages would not be an adequate remedy, and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, each of the other parties hereto shall, in addition to any and all other rights and remedies that may be available to them in respect of such breach, be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance and any other relief that may be available from a court of competent jurisdiction (without any requirement to post bond).

**Section 14.16 Attorneys' Fees**. In the event that any party hereto institutes any legal suit, action or proceeding, including arbitration, against another party in respect of a matter arising out of or relating to this Agreement, the prevailing party in the suit, action or proceeding shall be entitled to receive, in addition to all other damages to which it may be entitled, the costs incurred by such party in conducting the suit, action or proceeding, including reasonable attorneys' fees and expenses and court costs.

**Section 14.17 Remedies Cumulative**. The rights and remedies under this Agreement are cumulative and are in addition to and not in substitution for any other rights and remedies available at law or in equity or otherwise, except to the extent expressly provided in <u>Section 13.02</u> to the contrary.

**Section 14.18 Legal Representation**. Each Member hereby acknowledges that it has had the opportunity to consult with its independent attorney(s) and/or tax advisor(s) prior to the execution of this Agreement. Further, each Member hereby acknowledges and agrees that: (a) Vicente Sederberg LLP ("VS") has previously, is currently, and/or may in the future represent

some or all of the Members holding Class B Units or their respective Affiliates; (b) such Member retained VS to represent the Company in connection with this Agreement and the transactions contemplated hereby and expects to retain VS as legal counsel in connection with the management and operation the Company; (c) no current or future conflicts of interest may be asserted on the basis of the services rendered by VS in connection with this Agreement, such conflicts being hereby waived; (d) VS shall be permitted to represent the Company, the Board and such Member and its Affiliates in connection with any matter whatsoever, now or in the future, including but not limited to any dispute with another Member or their Affiliates; and (e) each Member hereby waives any conflicts of interest that may arise in connection with any or all of the foregoing.

**Section 14.19 Counterparts**. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of Electronic Transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

Upon a customer's entry into Nuestra premises, a Nuestra agent will immediately inspect the customer's proof of identification and determine the individual's age. An individual will not be admitted to the premises unless the retailer has verified that the individual is 21 years of age or older by an individual's proof of identification. At the door, a designated staff member will collect valid customer identification and confirm a minimum age of 21 years old, failing the confirmation of 21 years of age or older, an individual will be prohibited from entering the premises.

Once inside the retail area, customers will enter a queue to obtain individualized service where they may select any of the products available to them with the help of a Nuestra agent.

Upon checkout, customers will be required to confirm their identities and age a second time. Check out also activates the seed-to-sale tracking system that is compliant with 935 CMR 500.105(8) and does not allow for transactions in excess of daily sales limitations or potency level violations. Per M.G.L. c. 94G § 7, sales are limited to one ounce of marijuana flower or its combined dry weight equivalent in Marijuana concentrate or edible Marijuana Products to a retail customer per day. One ounce of Marijuana flower shall be equivalent to five grams of active tetrahydrocannabinol (THC) in Marijuana concentrate, including but not limited to Tinctures. One ounce of Marijuana flower shall be equivalent to five hundred milligrams of active tetrahydrocannabinol (THC) in edible Marijuana Products. Topicals and ointments shall not be subject to a limitation on daily sales. Nuestra will not sell Marijuana or Marijuana Products in excess of the potency levels established by 935 CMR 500.150(4). All required taxes will be collected at the point of sale. Nuestra will not sell marijuana products containing nicotine or alcohol if the sale of such alcohol would require licensure pursuant to M.G.L. c. 138.

Once a customer has selected a product for purchase, a Nuestra agent will collect the chosen items from the designated product storage area. A Nuestra agent will then scan each product barcode into the point of sale system. Nuestra will utilize a point-of-sale system approved by the Commission in consultation with the Department of Revenue and will not utilize software or other methods to manipulate or alter sales data. In the event of a flower sale, staff will weigh the chosen amount of flower and then place it in a tamper-resistant/child-resistant, resealable package that is compliant with 935 CMR 500.105(5). A Nuestra agent will affix a label, as

generated by the point of sale system, indicating the date, strain name, cannabinoid profile, and all applicable warnings detailed in 935 CMR 500.105.

In the event a Nuestra agent determines an individual would place themselves or the public at risk, the agent will refuse to sell any marijuana products to the consumer. Nuestra will use the point of sale security system to accept payment and complete sales. The system can back up and securely cache each sale for inspection.

Nuestra will maintain a record of the monthly analyses and will make it available for inspection by the Commission upon request. Further, Nuestra will cooperate with the Commission and the Department of Revenue to ensure compliance with any and all taxes in accordance with the laws of the Commonwealth and 935 CMR 500.000.

Should Nuestra elect to enter into Delivery Agreements with Delivery-Only Retailers for the purpose of transacting home deliveries to Consumers under 935 CMR 500.050(9), Nuestra will establish a Pre-Verification process for Consumers who intend to place orders for delivery with the Nuestra. To comply with the requirements of pre-verification, the Nuestra shall require the Consumer to appear in-person at Nuestra to present the Consumer's valid, unexpired government-issued photo identification and examine the identification and verify that the individual Consumer presenting the identification is the individual Consumer that matches the identification and that the individual Consumer is 21 years of age or older Nuestra will collect and maintain relevant information about the individual Consumer, for the purpose of transacting a delivery and ensuring that the recipient of a delivery under 935 CMR 500.145: *Additional Operational Requirements for Delivery of Marijuana and Marijuana Products to Consumers* is legally allowed to receive Marijuana and Marijuana Products, including the individual's name, date of birth, address, telephone number, and email address. Any such information collected by Nuestrashall be used solely for the purpose of transacting a delivery of Marijuana or Marijuana Products and shall be otherwise maintained confidentially.

Nuestra places a premium on cleanliness, hygiene, and proper product storage to achieve and maintain the successful operation of the business. In addition to regularly sanitizing surfaces with

products kept separately and away from marijuana products, Nuestra staff will ensure personal hygiene including washing hands throughout the day and before handling or dispensing any marijuana products. All products available for sale and consumption will be tested for impurities and subjected to Nuestra's policies governing quality control per 935 CMR 500.105.

The materials will offer education on cannabis titration: the method of using the smallest amount of a given marijuana product necessary to bring about the desired effect. Additional topics discussed in consumer materials will include potency; proper dosage; information to assist in the selection of marijuana; the delayed effects of edible marijuana products; and facts regarding substance abuse signs and symptoms and related treatment programs, marijuana tolerance, dependence, and withdrawal. Consumers will be provided a material that will enable them to track the strains used and the associated effects. Nuestra agents will be available to discuss the associated effects of specific strains and products at the dispensary, by telephone and via email. The consumer education materials will include the following:

- A warning that marijuana has not been analyzed or approved by the FDA, that there is limited information on side effects, that there may be health risks associated with using marijuana, and that it should be kept away from children;
