

## THE PRICE CENTER

---

April 28, 2022

To Whom It May Concern:

I am writing in support of Nuestra, LLC's proposal (The Boston Garden) for an adult-use marijuana retail store at 1185 Chestnut Street.

The Price Center on Christina St. serves over two hundred adults with Intellectual Developmental Disabilities (IDD). The leadership of The Boston Garden reached out to me many months ago looking for assistance in finding employees with IDD for their Western Mass location. It is clear to me that they have a true interest in supporting employment opportunities for individuals with IDD in the Newton Community as well and that they will be a great partner for The Price Center.

Sincerely,

Lou MacDonald
