To Whom It May Concern:

I am writing in support of Nuestra, LLC's proposal (The Boston Garden) for an adult-use marijuana retail store at 1185 Chestnut Street. This location has been vacant for over two years, and I look forward to having a new business open there and revitalizing the economy through its operations.

I know the leadership of The Boston Garden and I am confident they will be positive neighbors and positive members of the Newton community. Having lived in Newton the past 15 years, I feel strongly the addition of the Boston Garden will contribute to our great reputation as a progressive leader in the commonwealth. Please feel free to call me to discuss if appropriate.

Best,

Bob Hanlon
