Councilors Albright, Crossley, and Leary requesting a discussion of the PACE program (Property Assessed Clean Energy Program) and its possible adoption by the City Council. This program, available through Mass Development since 2020, assists and broadens access to financing for non-profit, commercial and multi-family (5 units and above) buildings to facilitate energy efficiency upgrades but is only accessible by Council adoption.

**This would go to the Finance Committee
We should inform Maureen Lemieux ,Ron Menedex, Ann Berwick and Bill Ferguson**
