Hi Raquel,

The decision will not be available until October 27, 2021.

I'm happy to mail it if that works for you, just let me know.

Good morning Raquel,

This will be docketed this evening and referred to the  
Land Use Committee.

Once it has been approved and the appeal period has  
lapsed, the decision will need to be recorded at the  
registry of deeds.

A certified copy should be available on October 27,  
2021.

Best,  
Nadia

Good afternoon  
Raquel,

Please send a letter requesting an extension of time to exercise special permit #257-20, approved on May 18, 2020. You can include your reasoning if you would like in the letter.

Once you send it, we can put it back through the Council's process. You will not need to attend to present the request. Extensions of time are treatment more routine than the original permitting process.

I hope this helps. Please  
feel free to reach out  
with any questions.

Best,  
Nadia
