Captain Boudreau,

Various definitions appear in Chapter 19 (not the TPR). They all appeal in Sec. 19-1. Definitions. I think that a definition of "live parking" should be added into this section – something like this:  
*Live parking: The parking of a vehicle with a driver or operator in attendance.*  
This change would require action by PS&T I think, not Traffic Council.

And, I agree with you re: St. James Circle. Would you like to have Danielle docket this item:

- CAPTAIN BOUDREAU, requesting to add the currently-posted "2 hour limit" (on the east side and cul-de-sac of St. James Circle), and the "no parking" prohibition (on the west side of St. James Circle) into the Traffic and Parking Regulations. Note that this item makes no change in the field and fixes an omission in the TPR.

David,  
Two quick issues:

St. James Cir. is posted 2 hour parking and there is nothing in the TPR I can find. This location has been a constant complaint by residents for two hour violations. Maybe we can docket the item and have the language added to the TPR.

Also....we get a lot of questions about "live parking" and what it is. Is it possible to add a definition of live parking to the TPR.

Thanks for your help and let me know your thoughts.
