

Development Review Team (DRT) Meeting Snapshot

Week of August 14, 2023

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
84-86 Auburn St	Special Permit to allow dormers and increase floor area ratio (FAR) of two-family condominium (MR1, Ward 4)
442-444 Lowell Ave	Special Permit to increase floor area ratio (FAR) of two-family dwelling (MR1, Ward 2)
25 Dunstan St	Special Permit for proposed for profit educational use (BU2, Ward 3)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
