RE: Sunrise Chestnut Hill - Sustainability
GHP Project No.: 210253.00

To Whom it May Concern:

As the Green Building Professional working with the Chestnut Hill project team, I, Katherine A. Sheesley, certify that I am knowledgeable of the project's green building strategies, designs, plans and details to date, and to the best of my knowledge this project has been planned and designed so as to meet the prerequisites and earn the credits necessary to meet the requirements of the Enterprise Green Communities (EGC) as set forth in Section 5.13 of the Newton Zoning Ordinance.

Sincerely,

A handwritten signature in blue ink that reads "Katherine A. Sheesley".
