

DAVID M. SCHWARZ ARCHITECTS

May 16, 2022

To whom it may concern:

The project at 1314 Washington Street is designed at a preliminary schematic level to accommodate compliance with the Americans with Disabilities Act and the rules and regulations of the Massachusetts Architectural Access Board. In future design phases, the architect of record will design and document all relevant specific construction details and specifications to ensure full compliance.

Sincerely,

David M. Schwarz Architects, Inc.
