CITY OF NEWTON

IN CITY COUNCIL

67969-157

September 7, 2022

ORDERED:

That the City Council, finding that the public convenience and welfare will be substantially served by its action, that the use of the site will be in harmony with the conditions, safeguards and limitations set forth in the Zoning Ordinance, and that said action will be without substantial detriment to the public good, and without substantially derogating from the intent or purpose of the Zoning Ordinance, grants approval of the following SPECIAL PERMIT/SITE PLAN APPROVAL to construct additions to the dwelling and enclose the front porch, increasing the nonconforming FAR from .51 to .57, where .48 is the maximum allowed by right, as recommended by the Land Use Committee for the reasons given by the Committee, through its Chairman, Councilor Richard Lipof:

- The proposed increase in the nonconforming FAR from .51 to .57, where .48 is the maximum allowed by right, is consistent with and not in derogation of the size, scale and design of other structures in the neighborhood because the additional floor area is within the footprint of the dwelling. (§3.1.3; §3.1.9; §7.8.2.C.2)
- The proposed increase in nonconforming FAR is not substantially more detrimental than the existing nonconforming structure is to the neighborhood because the additions are within the footprint of the dwelling. (§3.1.3; §7.8.2.C.2)
