Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I feel I have served the City well during my first term on the Auburndale Historic District Commission. Early on I was voted the Commission Secretary by my fellow Commissioners. I have taken my appointment seriously and I think shows with my attendance to meetings. I respectfully request to be reappointed. As someone who both lives and works in Auburndale I think it is very important to preserve the historic character of our village. Our family been in business in Auburndale and other villages of Newton for over 50 years and I feel my experience in construction, design, and development would be an asset to the Auburndale Historic Commission. Below is my Bio. Dante Capasso is the Director of Project Management at Capasso Realty Corporation. Capasso Realty, a family business has been owned and operated in Newton for over fifty years. The company develops, owns, and manages commercial and residential buildings throughout the community. He has a multitude of responsibilities including the company's green initiative, acquiring new properties, ground up design, development and construction, community outreach, as well as the day to day management of all residential and commercial properties. Before joining Capasso Realty Dante started his career in finance at John Hancock. He held several roles, spending the bulk of his time in charge of Northeast 529 investment sales. Dante earned his Bachelor's degree from the School of Management at Marist College in Poughkeepsie, New York. He earned his Chartered Retirement Planning Designation from the College of Financial Planning. Additionally, he holds a Massachusetts Construction Supervisor License and is a LEED Accredited Profession in Building Design and Construction which focuses on green building and energy efficient practices. He lives at home in Auburndale with his wife Erin son Henry and Daughter Nella.
