Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I have been a resident of Newton for over 40 years and I would be honored to be a member of the Parks and Recreation Commission. The Newton Parks and Recreation have been a part of my life ever since my family moved to Newton in 1976. As a child I have played on many Parks and Recreation Sports Leagues' (Soccer, Basketball and Swim Team) held at Newton Fields and Swim Facilities. As a teenager and into College I was a lifeguard at the Gath and Newton North Pools. As an adult I have participated in Newton Parks and Recreation Men's Flag Football, Men's Softball Leagues and coached several Newton Little League teams . I frequently use the Gath and Newton North Pools to swim laps and the fitness rooms as well. My 13 year old son who is an eight grader at FA Day is a member of the Newton Bluefish and I am a starter at the swim meets. Our family is also the proud owners of a 4 year old Whoodle (Wheaton Terrier /Poodle Mix) dog and frequent many dog parks and other locations on a daily basis. While attending sporting events or at dog parks around the City I feel a tremendous sense of pride when visitors to our city frequently share compliments on our Parks, Programs and Facilities. Unfortunately some of these facilities such as the Gath Pool and others have not changed much over the years and it would be my honor to be a part of the discussions and efforts to make improvements. I greatly appreciate the opportunity to be considered to join the Parks and Recreation Commission and I look forward to being able to contribute and make impact. Please contact me with any questions or for further information. Thanks in advance. Randy Johnson 617-775-7823
