

**CITY OF NEWTON
MASSACHUSETTS**

PETITION for GRANT OF LOCATION

To the Petitioner:

City of Newton Ordinance Section 23-52 requires that each petition for grant of location be submitted to the City Council before it is sent to the Public Works Department for a preliminary review. The comments of the Public Works Commissioner will be part of the record submitted to the City Council. Upon filing with the City Council, the petition will be scheduled for a public hearing before the Public Facilities Committee of the City Council. **The petitioner is responsible for ensuring that the petition is complete, and all required materials are for review.** Attached please find the City Engineer's Standard Requirements for Plans and the Department of Public Works Permit Processing brochure.

Grant of Location Process:

1. Applicant submits completed Petition Form and required materials to the City Council
2. Public Works Department conducts preliminary review and gives written comments to the applicant
3. Engineering Division files Petition Form with comments with the Clerk of the City Council
4. City Council schedules petition for a public hearing before the Public Facilities Committee of the City Council
5. Public Facilities Committee recommendations are forwarded to the City Council for a final decision

RECOMMENDATIONS:

<p>The work entailed is within the grass border of the right of way, there are no sidewalks on this side of the street. The contractor of record shall obtain a Trench Permit with the DPW prior to construction. Due to the curvature of the road a Police detail will be required for safe traffic flow. Upon completion an as built plan shall be submitted to the DPW.</p>	<p><i>John Daghljan, Associate City Engineer</i> <i>October 25, 2022</i></p>
