

# Development Review Team (DRT) Meeting Snapshot

Week of September 4, 2023

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
66 Allison St	Special Permit for dormer and rear addition to two-family home (MR2, Ward 1)
255 Jackson St	Special Permit for addition to nonconforming 3-story dwelling (SR3, Ward 6)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
