Honorable City Council
Newton City Hall
1000 Commonwealth Avenue
Newton Centre, MA 02459

Councilors,

Please note, the original version of the Long-Range Financial Forecast was published with an incorrect enrollment forecast of 11,269 students. When providing the enrollment projection to the City, NPS staff inadvertently transposed the numbers. The correct enrollment projection for fall of 2023 is 11,629 students.

We have updated the online version of both the narrative and the presentation which can be found on the City of Newton website. The noted changes in the narrative are found on pages 13 and 29.

Thank you for your understanding, and please reach out with any questions you might have.

Sincerely,

A handwritten signature in black ink that reads "Maureen Lemieux".
