

# Development Review Team (DRT) Meeting Snapshot

Week of September 18, 2023

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

| <b>Address</b> | <b>General Description of Project</b>  |
|----------------|--|
| 32 Needham St  | Special Permit to allow car sales (MU2, Ward 8)  |
|                |  |
| 283 Melrose St | Special Permit Amendment to convert previously approved office space within the theatre building to four housing units (existing building to be retained)(MR1, Ward 4) |
|                |  |
|                |  |
|                |  |

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
