Village Center Overlay District (VCOD) – Version 2.0 Zoning Map Amendments

The Newton Planning Department, under the guidance of the City Council's Zoning and Planning Committee (ZAP) and in close collaboration with our consultant Utile, released the Version 2.0 Village Center Overlay District (VCOD) Zoning Maps at April 24, 2023 ZAP meeting. See these links to the [presentation](#) and a [citywide map](#) here. Additional information can be found on the [Village Center webpage](#).

At this upcoming Monday, August 21 (**5:30pm start time**) ZAP meeting, the Committee will review and hold straw votes on proposed VCOD map amendments village center by village center. Planning staff have compiled all amendments received from individual city councilors, community groups, community members, and property owners. These various proposed changes to the current version 2.0 VCOD map are presented, without any endorsement from Planning, as a spreadsheet (Attachment A) and as village center maps (Attachment B).

Staff have worked to catalog every recommendation received. However, some may have been missed in error.

VCOD Zoning Map and MBTA Compliance

Any VCOD map changes ZAP votes to accept will have to be input into the MBTA compliance model following the outcome of the meeting. If the amended map is not MBTA Communities compliant, Planning staff will provide a recommendation of revisions to address the non-compliance for ZAP approval.

Next Steps

Following the August 21, 2023 ZAP meeting, Planning staff will incorporate all amendments voted on by ZAP to be released with the VCOD zoning text as Version 3.0. Version 3.0 will be shared in September in advance of the continued public hearing, scheduled for September 26, 2023.
