

Development Review Team (DRT) Meeting Snapshot

Week of October 9, 2023

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
27 Cross Hill Rd	Special Permit for floor area ratio (FAR) relief to allow an addition (SR2, Ward 8)
16 Everett St	Special Permit for floor area ratio (FAR) and setback relief to allow a detached accessory apartment (SR2, Ward 6)
286 Highland Ave	Special Permit for floor area ratio (FAR) relief to allow dormers (SR1, Ward 2)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
