

# Development Review Team (DRT) Meeting Snapshot

Week of October 23, 2023

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
887 Commonwealth Ave	Special Permit to exceed allowed floor area ratio (FAR) and extend nonconforming setbacks for the principal dwelling and detached garage (SR2, Ward 2)
2 Wells Ave	Special Permit for for-profit education to allow a day camp in partnership with the existing Bright Horizons day care center (LM, Ward 8)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
