RE: VCOD Amendments

1. Remove any lot that doesn't counts towards MBTA compliance. The only exception is if it is required to maintain contiguity. Cost: 0 units.
2. Remove three Newton Centre National Registry of Historic Places lots: 93 Union St and 1299 Centre St are special permit lots and cost is 0 units. 19-31 Herrick cost is approximately 44 units. They do not break contiguity.
