Hello Scott,

I live at 84 Highland Street very near Second Church and received the mailing about Second Church's parking request, from the city. I would like to voice my strong support for allowing the request from the Church. They continue (over the 25 years I've lived here) to be great neighbors and a strong asset to our street and our community. I support their efforts to continue to use their facility responsibly and to ensure the Church's continued success and longevity.

I believe I speak for many of my neighbors and long time residents of West Newton Hill.

Best Regards,
Janet Taylor
