Dear Scott,

On behalf of the First Unitarian Universalist Society in Newton (FUUSN) Board of Trustees, I am writing in support of the Second Church in Newton's application for a special permit to lease part of their property to Play2Learn. As we understand it, this tenant provides an important service to the Newton community. In addition, we understand that approval of this special permit would allow Second Church in Newton more leasing opportunities in the future. We would like to express our support for Second Church in Newton's ability to lease their property to other organizations that strengthen the Newton community.

Please reach out with any questions or concerns.

Best regards,
RoseAnn
