**Subject:** Support for your special permit

Dear Ms. Foote,

We are Patrick and Lauren Shanley, your neighbors at 72 Highland St. We received your letter today and wanted to share our support for your new tenants and however else you might need to use your space in the future to support your church and maintain your building. We are sorry to learn you have to go through this special permit process and will support in any way we can.

Sincerely,

Patrick and Lauren Shanley
