

Development Review Team (DRT) Meeting Snapshot

Week of January 8, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
52-54 Hatfield Rd	Extension of a nonconforming two-family dwelling use in the SR3 district by construction a detached one-car garage- SR3 Ward 3
103 Hight Street	Proposed addition to extend a nonconforming side setback and possible variance for rear setback- SR3 Ward 5

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
