NEWMO OVERVIEW

NewMo – Newton in Motion – is an on-demand, shared-ride service available in Newton. Provided by Via under a contract with the City, NewMo provides transportation for seniors, individuals with disabilities, and a limited number of students with high needs.

NewMo senior service is available to residents age 60+ and takes riders anywhere in Newton – to the Senior Center, fitness classes, medical appointments, grocery shopping, etc. NewMo’s senior service also takes riders to certain medical facilities outside of Newton (see the table on page 4). The hours of operation are 7 a.m. to 6:30 p.m. on weekdays and from 9 a.m. to 12 noon on weekends. (Only seniors can use the service on weekends.)

Seniors can pre-schedule all rides in the NewMo service area by calling the call center by 5 p.m. the day before their appointment, or up to five days in advance. The number for the call center is 617-655-8019. Listen carefully to the prompts for Senior Service.

SETTING UP AN ACCOUNT

Before you request a ride, you must set up a NewMo account by calling the Senior Center at 617-796-1675 or by downloading the NewMo Newton app on your smart phone. If you use the app to create your account, you will need to call the Senior Center for a senior promo code before you can complete your account. If the Senior Center sets up your account, we will add the promo code at that time.

Whichever way you open an account, you’ll need a debit card or credit card associated with your account. (Your card will only be charged when you use the service.)

If you do not have a credit or debit card, you can use cash or a check to buy a \$25 ride credit from the Senior Center to open an account. You can add additional credit later – in

increments of \$25 – when your balance gets low.

COST

NewMo costs \$3 per ride for seniors. A discounted rate of \$1 per ride is available to seniors who meet certain criteria. Please call the Senior Center at 617-796-1675 to request the discounted rate and provide proof of eligibility.

TWO WAYS TO REQUEST A NEWMO RIDE

Once you have a NewMo account, you can request a ride through the NewMo app or by calling the NewMo call center at 617-655-8019. With either method, you will need to provide the address you are leaving from and the address of your destination.

If you have not prescheduled a ride home or to your next destination, you will need to request another trip.

PRE-SCHEDULING RIDES

Many seniors find it helpful to preschedule rides to medical appointments in the NewMo service area by calling the call center by 5 p.m. the day before their appointment, or up to five days in advance. You can also preschedule a ride home from your appointment, *if you know when the appointment will end.* If you don't know how long the appointment will be, call the NewMo call center to request a ride home, or book a ride using the NewMo app.

If your appointment is on a Tuesday after a Monday holiday, be sure to call by 5 p.m. the Friday before.

WHEN TO REQUEST A RIDE

If you have a scheduled appointment, such as a doctor visit or a physical therapy session, and you did not pre-schedule your ride ahead of time, you should request a ride one hour before your appointment is scheduled to begin. That way you won't have to worry about traffic, construction, or unexpected delays.

For other activities, you should call 30 minutes before you want to be picked up.

During peak hours – 12 pm to 5 pm – you should call 45 minutes before you want to be picked up.

EXTRA ASSISTANCE OR EQUIPMENT

If you need assistance getting to the car, or you use a walker and need extra help from a driver, please note this in the “details” section of the NewMo app, or let an agent know this when you call in to request a ride. **If you use a wheelchair, your file can be marked**

“wheelchair accessibly needed” so that only a WAV vehicle – a wheelchair accessible van – will be sent to pick you up. If you use the app, you will find the wheelchair accessibility option under your account details.

NO CELL PHONE? NO PROBLEM!

You don't need a smartphone or cell phone to use NewMo. You can dial the NewMo call center from anywhere: from your home phone, a cell phone, or a phone in a public place. **The number is 617-655-8019.**

PLUS-ONE RIDES

If you need to travel with a family member, friend, or an aide, please note this in the app or let the agent know this when you call the call center to request your ride. You will be charged for two rides.

LOOK FOR THE NewMo AND VIA LOGOS

When you make your reservation, you will be given the license plate number of the car that will pick you up and the name of the driver. You will also see the NewMo and Via logos on the doors of the car. (You can see those logos at the top of the first page.)

SAFETY MEASURES

Masks are optional, but to keep everyone safe, riders and drivers are encouraged to wear a mask or face covering while in NewMo vehicles. The interior of each vehicle is professionally cleaned at least twice a week and deep-cleaned once a week. If a vehicle is untidy, please ask the driver to report it to our local field manager, and we will arrange a deep cleaning immediately. If you'd like to use your own wipes to wipe down the seat or other surfaces, you may do so, *as long you use a non-bleach solution.*
