

GET THE WORD OUT TO YOUR NEWTON AUDIENCE!

Newton Cultural Council encourages our grantees to promote their events to the broader Newton Community. In addition to your own media choices, we have compiled the below list of outlets for you to consider posting your event to. Please let us know if you have additional publications that we should consider adding to this list to help future NCC grantees.

- **Newton Arts Calendar**, which is administered by Newton Cultural Development (posting here is expected of all grantees): <https://newtonartscalendar.org/>
- **Arts FUSE**, for arts and culture events curated by local artists and writers: <https://artsfuse.org/contact/>
- **Arts Boston**: <https://calendar.artsboston.org/>
- **Boston Music Intelligencer** for classical music events: <https://www.classical-scene.com/about/policies/>
- **Community Kangaroo** for children/family programming: <https://communitykangaroo.com/newton/>
- **Fig City News**: info@figcitynews.com
- **Newton Beacon**: <https://www.newtonbeacon.org/events/community/add/>
- **Patch.com**: <https://patch.com/massachusetts/newton/calendar>
- **Our Newton**: <https://www.ournewton.org/events/community/add/>
- **The Boston Calendar**: <https://www.thebostoncalendar.com/>

We also encourage you to make use of the Instagram and Facebook pages, and media channels of other funders you might have and/or of the venue for your event.

Helpful hint: Make sure to post enough in advance for your potential attendees to plan.

We wish you a successful event and a full house!
