

Development Review Team (DRT) Meeting Snapshot

Week of January 29, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
329-335 River St	Rezone two lots to MR1 and special permit to construct 6 attached swelling in three buildings: SR3 Ward 4
66 Needham St	Day Care with possible parking waiver: MU2 Ward 8
55 Needham St	Amendment to comprehensive sign package approved via special permit

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
