Mayor's Newton Update

The storm forecasts have trended south and, with temperatures above freezing for most of the day, snow will have difficulty accumulating on paved surfaces. The snow is expected to begin this morning and end in the 3:00 p.m. to 5:00 p.m. time frame with probably 1" to 3" (perhaps up to 5").

Trash and recycling is postponed by our contractor, Waste Management, by one day starting today and continuing the rest of the week.

NewMO is also not operating today.

Everything else is continuing but please take it slower when you're driving and look out closely for others.

Warmly,

Ruthanne

Mayor Ruthanne Fuller | 1000 Commonwealth Avenue, Newton, MA 02459
